

The Sixth Form Dress Code – Year 12 and Year 13

The Sixth Form Dress Code is a privilege afforded to Year 12 and Year 13 pupils who for the first time have a choice in the attire they wear to school. Our aim is for pupils to be able to express their individual personalities and characters in comfort, whilst modelling appropriate attire for our formal school environment to younger year groups.

In consultation with the Sixth Form tutors, the Student Voice team team, sixth form tutors, and the senior leadership, the Sixth Form dress code states:

- Tops may include plain t-shirts. Polo shirts, shirts, or smart tops should be minimal in pattern
- Tops should not be too tight, skimpy, revealing or low-cut
- Tops should not display large logos, brands, designs, patterns or motifs
- Dresses, skirts and shorts should be approximately knee length
- Leggings should be worn only as an alternative to tights, not as an alternative to trousers
- No jeans are permitted
- No sportswear clothing is permitted
- No hoods or caps should be worn inside the school building
- Footwear should be close-toed shoes or trainers in good condition
- Jewellery and make up should be subtle and discreet
