Principal's Den

Hello LES Families!

The LES renovation is moving right along! The front office area, art room, music room, and vestibule are all getting their makeovers. Thank you for your continued flexibility as we make adjustments to arrival and dismissal procedures due to the closing of the lobby area. We appreciate your understanding!

The deadline to enroll/re-enroll in the FSSD virtual program is November 16th. If your child is currently enrolled in a virtual classroom, and you wish to transition to the in-person setting in January, please be sure to let your teacher know. We are keeping up with numbers to help us make classroom decisions. Thank you!

Respectfully,

Mrs. Patton

Support The Nook!

T Up For The NOOK (Needs Of Our Kids) and help support a great non-profit that serves urgent needs in our schools. You can purchase a special FSSD T-shirt online at https://stores.inksoft.com/nook_fundraiser/shop/home from November 1-20, 2020. There are multiple color options and shirts will be shipped directly to your house!

All proceeds from this unique T-shirt will help support The NOOK's mission of providing new essentials (coats, shoes, socks, underwear, shirts, pants, basic hygiene and feminine hygiene) for local children in need. The NOOK partners with schools in our community, including every FSSD school, to eliminate barriers to education for kids in crisis so the child can focus as much energy as possible on achieving in the classroom. For more information please visit <https://needsofourkids.com/>.
