## Principal's Den

---

Hello LES Families!

Can you believe it? We are just weeks away from our winter break! As this semester comes to an end, I want to thank you for working with us as we navigated the start of the school year and then the renovation. I'm incredibly grateful for your patience and understanding with all of our procedure changes 2020 has brought our way. Our LES family is truly amazing, and I'm grateful to be a part of it.

We will have our 2-hour day on Friday, December 18<sup>th</sup>. While we are not able to have visitors for class festivities, classes will be having class celebrations on this day. Be on the lookout for more information from your child's teacher.

I hope you have a safe and happy holiday season!

Respectfully,

Mrs. Patton

### LES Literacy Project

Our art teacher, Mrs. Cochran, created a literacy project called, "Building Better Character Through Books". Each Friday, we post a story being read aloud by LES staff on our Liberty Elementary Facebook page. Each story also contains follow-up family discussion questions and a fun craft project. We would love for you to leave pictures of your crafts and feedback about the story. It's the perfect way to engage with books as a family from the comfort of your home! Happy reading!

### Upcoming Events

December 18  
Early Dismissal Day (10:30)

December 21  
Winter Break! No school  
December 21-January 5th

January 6  
Students return from winter break

---

### Renovation Update

The renovation is moving right along. Our campus is busy with heavy equipment and construction workers. Thank you for following our new student drop off and pick up procedures. Despite a few bumps, it's going very well!

The ductwork for the new HVAC units and data cabling are being installed in the front office area, music and art rooms, and vestibule. I will be sharing some pictures with you via Blackboard Connect soon!
