Principal's Den

Hello LES Families!

Our second semester is moving right along! Our students have done an excellent job getting back in the swing of things after the winter break. Thank you to all who were able to contribute to the Quarterly Luncheon for our teachers and staff. My teachers and staff are very thankful for your generosity, kindness, and support.

LES will be celebrating Black History Month each day in February. We will be highlighting and celebrating African American inventors, scientists, political figures, authors, musicians, and other notable African Americans.

Teachers will be sending home information regarding Valentine's celebrations soon. Celebrations will take place on the early dismissal day, February 12th.

Respectfully,

Mrs. Patton

Renovation Update

Phase 1 of our renovation is almost complete! We are excited to move back in to our office space and open the art and music classrooms! Phase 2 is scheduled to begin in mid-March. Phase 2 of the renovation will include the gym, gym storage areas, old showers, 3 pre-K classrooms, and 3 support classrooms. I will send out a family communication when the front office and entrance is operational. You can see pictures of the renovation to our LES website under the "About" tab and go to Renovation Gallery.

Upcoming Events

February 8
FSSD Board Meeting

February 9
Progress Reports

February 12
Early Dismissal Day- Students will be dismissed at 12:30.

February 15
President's Day! No School

Winter Family Fun!

Finding fun activities for your child during the winter months can be a challenge! The list below may give you some ideas on activities your family can do together during these cold winter months!

- Family movie night with popcorn and treats!
 - Turn the living room into a giant fort!
 - Go on a winter hike.
 - Create a neighborhood scavenger hunt.
 - Plan and cook a new recipe together.
 - Make a family time capsule..
