

At Rokeby, positive behaviour and attitude is rewarded with dojo points. Your child can earn dojo points for many reasons, including fantastic work, showing our ten key qualities and looking after our school.

Make sure you are signed up to class dojo to see what your child is earning points for each day ☺

• STAY SAFE • BE KIND •

It is that time of year again, where you need to start preparing for the next year at Rokeby Primary School. This year is slightly different, as we are in 'bubbles', so we are not having a 'face to face' transition day. I want to make sure that you are all as prepared as possible, so this booklet will help you get to know your classroom, new teacher, and new routines a little bit better.

I hope this booklet helps you to transition more easily to your new class. Do not forget to ask as many questions as you can.

Take care,

Mrs James

A LITTLE BIT
ABOUT
me...

Favourite Food: pizza

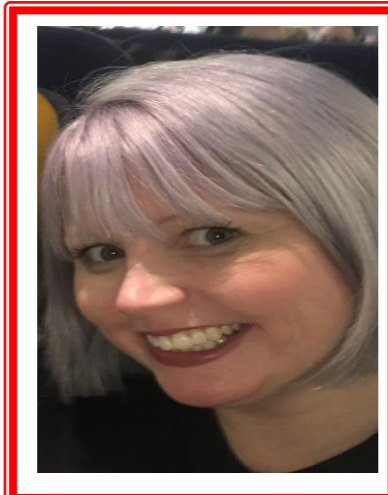

Hobbies: going on holiday and travelling, spending time with family and friends and shopping!

Favourite Book: The Jolly Postman

Favourite Music: Cheesy pop (90s is the best)

I have been at Rokeby for four years and I have taught in Year 5 and Year 6. Before this, I lived in London where I taught in Year 2 for 4 years and then I was a supply teacher and taught in all year groups.

I love teaching in Year 6 😊

Bucket List-top 3:

- Travel on a train across Canada
- To be on the BBC series, Race Across the World
- To go on Supermarket Sweep

Positive Quote:

You have brains in your head.
You have feet in your shoes.
You can steer yourself any direction you choose.

Dr. Seuss

Greatest Achievements:

- As a child, I always wanted to become a teacher so becoming a teacher is one of my greatest achievements.
- Jumping out of a plane at 20,000 feet in the air, over a lake in New Zealand!

Favourite Toy as a Child:

I was a huge Barbie fan and spent most of my time playing with them.

I also use to spend a lot of my time 'playing teachers' and taught my teddies many lessons!

What to expect...

Welcome to Year Six

Year Six will be challenging but also be very fun. We work super hard as it is your last year in primary school and we want to make sure that you are high school ready. In the summer term, we spend lots of time preparing for that important transition. We go on some fun trips; you will find out more about these in September.

Even though we work hard, I always try to make our lessons fun and interactive. The main expectation I have of children in my class, is that they try their very best to ensure that they are the best version of themselves. I also ask that you are polite and respectful towards each other, and adults and that respect is reciprocated.

I am looking forward to kicking the year off!
