

At Rokeby, positive behaviour and attitude is rewarded with dojo points. Your child can earn dojo points for many reasons, including: fantastic work, showing our Rokeby ten key qualities and looking after our school.

Make sure you are signed up to Class Dojo to see what your child is earning points for each day. 😊

• STAY SAFE • BE KIND •

It is that time of year again, where you need to start preparing for the next year at Rokeby Primary School. This year is slightly different, as we are in 'bubbles', so we are not having a 'face to face' transition day. I want to make sure that you are all as prepared as possible, so this booklet will help you get to know your classroom, new teacher, and new routines a little bit better.

I hope this booklet helps you to transition more easily to your new class. Do not forget to ask as many questions as you can.

Take care,

Mrs James

Transition Booklet to 1P.

EDUCATION
is the most
POWERFUL WEAPON
which you can use to
CHANGE THE WORLD

Meet Your TEACHER

Miss Palmer

Favourite Food: Lasagne or spaghetti bolognese

Hobbies: Baking; I absolutely love to bake and cook and try out new recipes as well as gardening and growing my own vegetables.

Favourite Book: I don't have a favourite book, as I have so many books that I love to read. I do have a favourite poet: Brian Moses, because his poems have such fantastic language and create magnificent pictures in my head.

Favourite Song: Any song from The Lion King; I have loved this film and sound track from the day I watched it and the songs are just amazing.

"I have been at Rokeby for many years and it has been an absolute privilege to teach and be part of the fantastic Rokeby community.

I cannot wait to get back into class with Year 1 and start our fabulous learning journey together."

A LITTLE BIT

ABOUT
me...

Bucket List-top 3: to learn to crochet. To climb a 30ft climbing tower quicker than my brothers! Eventually, to live by the seaside.

Positive Quote: Wherever you go, no matter the weather, always bring your own sunshine.

By Antony J. D'Angelo

"I am really excited to get to know you all and for you to get to know me. We will have an incredible year."

Greatest Achievements: Being a teacher: every day is different, every day something new happens and being part of your learning is magnificent.

Learning to knit so that I could make my little nephew a jumper and waistcoat to wear.

Learning to quad bike and Segway around a field, and having ago at archery trying to hit the target and not the back board!

Favourite Toy as a Child: A fabric play house that my sister and I would play in and have all kinds of adventures, as well as using it to hide from my younger brother!

Pets: Merlin my dog - he makes me smile every day and there is nothing better than having a chat and telling him about my day, or taking him for a walk in the fields.

What to expect...

Welcome to year one. ☺

I cannot wait to join you in September as you start your learning journey in year 1. We will be recapping and building on your prior skills, as well as learning so many new skills that you will be using in all areas of life.

This is an exciting and busy year, full of fun, intrigue and an abundance of super learning opportunities, with shared learning afternoons, trips and visits.

I will always want you to 'try your best'; you will find some of the learning tricky, but I know that you are ready for the challenge. Remember to use your super listening ears and looking eyes and have the courage and confidence to give everything a go - 'perseverance and resilience' is the key message with the words 'try your best'. But don't forget, that if you need help I am always here to support you with your learning.

Your new classroom.

Your cloakroom.

Your toilets.

In year one we have some truly wonderful topics to look forward to. ☺

Don't forget to watch the Year 1 video for a virtual tour of your classroom for September.
