

Your outdoor learning area

At Rokeby, skills like being good and trying hard are rewarded with dojo points. You can earn dojo points for many other reasons, including: fantastic learning, showing our ten key qualities and looking after each other and our school.

Ask your family to sign up to class dojo to see what you earn points for each day. 😊

If you have any questions about Nursery or would like to show your teacher anything between now and September then please contact your teacher via class dojo or email: lunn.a@stowevalley.com

It's a big step out into the world by coming to Nursery and we are delighted that you have chosen to spend your Nursery year with us at Rokeby Primary School. We want to make sure that you are as prepared as possible for this big step, so this booklet will help you get to know your classroom, teacher and routines a little bit better.

I hope this booklet helps you to transition more easily into Nursery. Don't forget to ask as many questions as you wish.

Take care,
Mrs James

Transition Booklet to Nursery

Meet Your TEACHER

Mrs Lunn

A LITTLE BIT
ABOUT
me...

Favourite Food: I love lots of food but probably pasta!

Hobbies: Ice hockey (I go to rinks in England, Scotland, Wales and Ireland to watch Coventry Blaze play and I'm proud to sponsor the assistant captain who has won a gold medal playing for Great Britain) I also love spending time with my family and friends.

Favourite Book: Giles Andreae I Love You Little Monster

Favourite Music: I like musicals and catchy dance tunes but I dance badly!

"I trained to be a teacher in the beautiful Peak District. I was also Matlock College Entertainment Officer who organised all the fun events! I have been at Rokeby for 30 years now which shows you how much I love the Rokeby children, staff and community." ©

Things I'd like to do: See the Northern Lights, take a train ride through the Rocky Mountains in Autumn time and raise £1,000 for charity.

Positive Quote: Spread love everywhere you go. Let no one ever come to you without leaving happier. (Mother Teresa)

"One of my favourite teachers at primary school, Mr Morgan, taught me that you should always try to give your best."

Greatest Achievements: Giving birth to my two daughters, Rebecca and Sophie, who have given me so many proud and happy moments and who mean the world to me. ❤️

Walking the length of the Samaria Gorge in Crete during a heatwave. It took 7 hours over rough ground and the only way back was by boat over the Libyan Sea. It was stunning!

Favourite Toys as a child: A little teddy bear that my mum made for me, my doll, Mary who went everywhere with me and my blackboard easel that I had in my bedroom because even as a little girl I wanted to be a teacher!

Pets: I have none now but in the past I have had a dog, hamsters, fish and rabbits as pets. My daughter Rebecca has two kittens called Patch and Titch who I adore. ❤️

w e l c o m e to Nursery

What to expect...

Welcome to Nursery ☺

Mrs Lunn cannot wait to join you on a fun filled journey. She is looking forward to helping you learn to share toys, take turns and make friends.

Nursery is an exciting and busy time full of indoor and outdoor learning, play and laughter.

During this year, you will grow in independence as you master new skills. You might learn how to put on your coat or use the toilet, how to use a knife and fork, how to count, how to use a book and talk about stories or learn many new songs and rhymes.

You will be practising important skills to help you throughout your future school years such as good looking, good listening and good sitting for our carpet learning time.
