+ STAY SAFE + BE KIND +

It is that time of year again, where you need to start preparing for the next year at Rokeby Primary School. This year is slightly different, as we are in 'bubbles', so we are not having a 'face to face' transition day. I want to make sure that you are all as prepared as possible, so this booklet will help you get to know your classroom, new teacher, and new routines a little bit better.

I hope this booklet helps you to transition more easily to your new class. Do not forget to ask as many questions as you can.

Take care,

Mrs James
