• STAY SAFE • BE KIND •

*It is that time of year again, where you need to start preparing for the next year at Rokeby Primary School. This year is slightly different, as we are in 'bubbles', so we are not having a 'face to face' transition day. I want to make sure that you are all as prepared as possible, so this booklet will help you get to know your classroom, new teacher, and new routines a little bit better. I hope this booklet helps you to transition more easily to your new class. Do not forget to ask as many questions as you can.*

Take care,  
Mrs James

What to expect...

Welcome to year two ☺

Mrs Brindley cannot wait to join you on this magnificent learning journey. I am really looking forward to supporting you all in building your personal, social and learning skills.

This is an exciting and busy year full of fun, intrigue and an abundance of super learning opportunities. During this year, you will grow in independence as you recap prior skills and develop new ones to apply in all areas of life.

You will be expected to always try your best, ensure you use listening ears and looking eyes and have the courage and confidence to give everything ago- perseverance and resilience are our key words here for year 2. But do not forget, that if you need help Mrs Brindley and the Teaching Assistants are always here to help you climb the mountain and run down the other side.

Your new classroom.

Your cloakroom.

Your toilets.

In year two we have some truly wonderful topics to look forward to in which we will learn about Africa, Ruby, plants, habitats and looking after the world. ☺
