## **STEVENSON HIGH SCHOOL ATHLETIC AWARDS SYSTEM**

Any Stevenson High School athlete who finishes the season in good standing, as determined by the coach, will receive an award for his/her participation. Attendance, effort, achievement and individual sport guidelines are the basis for determining a player's award.

### **LEVELS OF COMPETITION AND AWARDS**

An athlete may receive only one award for each season of participation.

Freshman .....	Sports Pin and Stevenson Letter
Under level .....	Sports Pin
Junior Varsity .....	Sports Pin
Varsity .....	Sports Pin and Varsity Pin

A special pin and certificate will be awarded to any Senior who has earned two or more Varsity awards.

Note, our 2019-20 returning athletes will receive the letters based on the system from years prior, so they will match their existing awards received.

Graduation year numerals are available for purchase at the Athletic Office for \$10. First come, first serve.

### **SUPER PATRIOT AWARD—PATRIOT WATER BOTTLE & CERTIFICATE**

This is an award presented by the Sports Boosters Club. It is awarded to any athlete who breaks an existing Varsity school record as recognized by the athletic department.

### **STEVENSON 3-SPORT ATHLETE AWARD**

If an athlete at any level participates in a sport and finishes in good standing for three seasons (one each in the fall, winter, and spring), he/she will be given the 3-Sport Athlete Patch. Managers are not eligible to receive this award. Athletic Training may qualify if pre-approved by the Athletic Director.

### **STEVENSON 4 YEAR 3-SPORT ATHLETE**

A senior athlete will receive a 4 year service pin for participating in 3 sport seasons all 4 years.

## STATE QUALIFIER CERTIFICATE

Presented by the athletic department to individual athletes who qualify for State competition. Team championships in Conference and State series competition (Regional, Sectional, Super Sectional, State) are recognized by patches, which are awarded to all Varsity team members.

## ALL-CONFERENCE—CERTIFICATE

Presented by the North Suburban Conference. Recipients are chosen by the Head Coaches in each respective sport.

## BIG GUN AWARD—TROPHY & BIG GUN CERTIFICATE

The “Big Gun Award,” sponsored by the Stevenson Sports Boosters, is recognition of achievement for the Most Valuable Varsity team member over the entire season based on:

Practice Effort  
Contest Performance  
Positive School Representation  
Leadership  
Attitude  
Character  
General Team Contribution

This award was established in 1967. Voting is done by Varsity team members.

## WALL OF FAME RECOGNITION

Lake County Champion*	Individual Sport
All-Lake County Selection	Team Sport
IHSA Regional Champion*	Individual Sport

## **NORTH SUBURBAN CONFERENCE SPORTSMANSHIP AWARD**

Athletes who receive this award have been chosen because of their ability to accept and understand the seriousness of their responsibility, and the privilege of representing their school and community. These athletes treat opponents the way they would like to be treated, as a guest or friend, and they never direct remarks at opponents in a taunting manner. The athletes also wish opponents good luck before the game and congratulate them in a sincere manner following either victory or defeat. Selected athletes respect the integrity and judgment of the game officials, play unselfishly in such away as to build up their team, without drawing unnecessary attention to themselves and they yield to the authority and direction of all floor officials, bench officials, school personnel and coaches. A medal is given to all athletes who receive this award.
