

Returning CISD Students

Cleveland ISD is upgrading our online registration and parent information sites to better serve our families. Information regarding how to complete registration on the new system for **returning** CISD students for the 2021-2022 school year will be shared in mid-July.

Parents do not update or complete information on the **Ascender Parent Portal**. Parents can still log in to access student information, however, we are no longer updating or downloading data from this site.
