July/August 2021

Dear John Muir Family,

Welcome to the 2021-2022 school year! We look forward to the arrival of your son/daughter and have spent many hours planning to ensure the new school year begins on a positive note.

We have set up several dates and times for students to pick up schedules, pay fees, take pictures and purchase a physical education lock and/or shirt, if needed. (See the enclosed green sheet.) Remember that students will have their "traditional" school portraits taken during schedule pick-up. These portraits will be published in the yearbook and used for their student I.D. Please take time to review and discuss the important information included in this letter with your child.

We provided a Census Verification Report for each of our 2020-2021 students, either in the final report card of 2020-2021 for returning students, or via your child's elementary school for incoming 6<sup>th</sup> graders. At that time we asked you to edit (if necessary), sign and date, and then return this important document to us. If we have not received this form prior to our schedule pick up days, we will ask that you confirm the accuracy of this information when you come to pick up your student's schedule. Please note this may add time to the schedule pick up process for you.

We would also like to invite you to our Activities Fair and school-wide Open House being held on Thursday, August 26. The Activities Fair will run from 6:00–6:30 p.m. for students who are interested in signing up for extracurricular activities. The Open House will be held from 6:30–7:30 p.m., when parents/guardians and students are welcome to walk through classrooms and visit informally with teachers.

School will officially start on Wednesday, September 1. The building will be open at 7:25 a.m., and all students are to report to their homeroom by 7:35 a.m. For students who would like breakfast, the school will be open (enter through West entrance) at 7:15 a.m.

The John Muir staff is committed to working together with you and your child to ensure a successful and rewarding educational experience.

Sincerely,

Patrick J. Galligan  
Principal
