

SLP Schools and SafeSchools Training Instructions

SafeSchools Training Modules are active for the new school year. Trainings are required every year and include such courses as: Blood Borne Pathogen Exposure Prevention, Bullying: Recognition & Response, Sexual Harassment: Staff-to-Staff, and some additional information regarding SLP's Internet Policy.

- 1.) Navigate to <https://slpschools-mn.safeschools.com/training/home>
 - SafeSchools Training Modules are supported best by using Google Chrome web browser

- 2.) Username: Lastname.Firstname
 - "Forgot Login?" will allow you to reset your username
 - No password is needed for entering site

- 3.) You will be directed to the home page displaying your unique, mandatory trainings including due dates and Certificates for completing courses.

- 4.) Please complete your required trainings by the due date. SafeSchools will send reminder emails to complete open trainings. Thank you!
