Original proposal was to delay meetings to 5:30. With input from SCC meeting start times will be moved to 6:00 pm. They will still be held on the 2nd Wednesday of the month. The meeting next year will be a hybrid-some in person and some over Zoom.

Big thank you! Teachers and staff felt so much love and appreciation last week during teacher appreciation week. Parents were unbelievably generous and it was a really great boost at this time of the school year.

PTSO

Our PTSO hasn't been very active the last year or so. There is a need to re-activate this organization. Parents volunteered to help with this- Jill, Gloria, Alissa, and Tiff.

Updates from Admin

- Asynchronous Wednesdays- almost 50/50 split. Our marginalized populations were much more in favor of returning to a traditional 5 day school week. We are planning to return to our pre-COVID schedule.
- Remote Learning Option 2021-2022 School Year- Because of the expansion of vaccine availability for younger age groups, we anticipate the need for remote learning to decline greatly. We are not planning to have remote sections of our classes next year but will follow the district board approved option of utilizing an outside partnership to support some remote learners in some cases.
- Virtual Parent Teacher Conferences- This was approved. We will hold PTC virtually next year. Parents, as always, can schedule face to face meetings with teachers as needed throughout the school year.
- Graduation- progressing in plans. Will host on back field.
