UPDATE: BMS Moving Up Ceremony 2021

BMS is in the process of collaborating with our amazing students, PTA leaders and volunteers to plan for the BMS Moving Up Ceremony 2021, which is an event for our matriculating 8th graders, the class of 2025 and their families. At this time, we are planning a live in-person event for students, staff and parents to attend! We are planning an outdoor event featuring mitigating measures such as mask wearing, social distancing and technologies to support remote accessibility for students and families unable to attend the live event.

IMPORTANT NOTICE: Students may not walk out of BMS for parent pickup without first signing-out in the main office; this is an important safety requirement. If your child needs to leave school during the day for an appointment, please send them into school with a signed note that includes the time of pickup at BMS.

Your child should bring the note to the main office upon arriving at school and will be provided with a pass to leave their classroom at the time of pickup. All parents and guardians must ring the intercom at the BMS main entrance to sign out their child, who should be waiting for dismissal in the main office.

Please note, students should not walk out of the building to pick up dropped off items; students should check with the main office staff for dropped off items.
