Davie County's Summer School extension plan was approved; students will attend summer school from June 21-July 15, 2021. The Summer School is fully staffed and is expecting around 730 students to attend.

Davie County School's projected enrollment for 2021-2022 is 6,041 students. Currently, total enrollment is at 5,812 students. Davie County Schools have already started to receive mask exemptions for rising Kindergarteners. As of today, there is no protocol for the 2021-2022 school year.

Davie County Schools may hold a vaccine clinic late July 2021 for those staff and students who choose to take the vaccine with the second dose being before school starts late August. Are there stipulations on the COVID monies being received? Will there be a vaccination mandate in Davie County or in Davie County Schools? Are there any schools with 5G network towers? Ms. Landry requests a policy be created, where parents can access it, to hold teachers accountable for what they teach as there are political agendas in Davie County that Ms. Landry wants stopped.
