**B. FUNDING REQUESTS (FY22 E-Rate)**

The specified products and/or services are to be provided for FY22 (July 1, 2022-June 30, 2023) and must qualify for universal service discounts under the FY22 universal service support mechanism, E-rate. No invoices will be DATED or PAID before July 1, 2022.

**C. UNIVERSAL SERVICE DISCOUNTS**

The service provider contract is conditional upon the District receiving universal service discounts under the FY22 universal service support mechanism, E-rate. The District reserves the unrestricted right to reduce the contract amount by reducing the amount of services and/or products in order to meet budget requirements in the event the level of the universal service discounts is reduced. Any such reductions to the contract amount will be taken prior to the start of the specific work being reduced or eliminated on a given building and/or project.

**D. UNIVERSAL SERVICE DISCOUNT IMPLEMENTATION**

The District reserves the unrestricted right to specify the filing option for the universal service discounts for each product and/or service offered within a Bid: Billed Entity Applicant Reimbursement (BEAR) *or* Service Provider Invoice (SPI).

**F. LOWEST CORRESPONDING PRICE**

Lowest Corresponding Price (LCP) is defined as the lowest price that a service provider charges to non-residential customers who are similarly situated to a particular E-rate applicant for similar services. Service Providers cannot charge E-rate applicants a price above the Lowest Corresponding Price (LCP) and must actually charge the rate that is the LCP, not just offer the LCP in the Bid. In addition, promotional rates offered by a Service Provider for a period of more than 90 days must be included among the comparable rates upon which the LCP is determined.

**III. GENERAL CONDITIONS****A. RIGHTS OF ACCEPTANCE OR REJECTION**

**B. VARIANCE AND PRICE**

Any variance from the specifications in section IV A, B, and C of this RFP must be fully explained in writing by the bidder. **C. MANUFACTURER(S) BRANDS/MODEL NUMBERS**

The naming of a manufacturer(s), brand or model number will not be considered as excluding other brands or model numbers for purposes of later providing the products as promised in the Bid. Specifically, similar products with comparable construction, material and workmanship will be considered as equal. Notwithstanding, the Board of Education of the District has complete discretion to evaluate the merits of all Bids submitted and can take into consideration the brand and/or model numbers set forth in the Bids.

**D. MANUFACTURER(S) SUBSTITUTIONS**

Any substitution from the specified products and/or services by the manufacturer(s) is acceptable if at no additional cost to the District approved by an authorized district representative prior to placing the order for said products and/or services. The District reserves the right to refuse any and all manufacturer(s) substituted products and/or services for any reason.

**E. MANUFACTURER(S) DISCOUNTS**

The District reserves the right to receive any and all manufacturer(s) price reductions, discounts or rebates that are received by the selected vendor for the specified products and/or services. The selected vendor agrees to pass any and all cost savings from the manufacturer(s) for the specified products and/or services to the District by way of a setoff of monies owed or refund of monies paid by the District.

**F. CLEAN-UP**

The selected vendor must, at all times, keep the premises free from accumulations of waste materials, caused by the work; and upon completing the work, must remove all work-related rubbish from and about the building(s) and must leave the work area broom clean, or its equivalent. Service providers interested in providing alternate telecommunication bids, such as self-provisioned fiber, refer to the other RFP associated with this bid request for specific details. The Bidder may also combine other services with the self-provisioned fiber bid response. However, all bids must meet the 10Gbps connection speed requirement.
