

Ties Virtual/Socially Distant Drum and Fun

What's a Virtual Drum and Fun? A group of people who come together via Zoom Meeting to enjoy sound and rhythm, and explore the many ways to find *the beat*. You don't have to be a musician to join: you only need to want to have fun!

What's a Socially Distanced Drum and Fun? A group of people who come together, at least 6 feet apart, to enjoy sound and rhythm, and explore the many ways to find *the beat*. There will also be an opportunity at end for a craft and/or social time.
