ACCEPTANCE OF MINUTES

ACCEPTANCE OF TREASURER'S REPORT

Treasurer's report was accepted as submitted.

ADMINISTRATORS' REPORTS

Dr. Christopher Brown: Dr. Brown shared with the Board he calls Mabel to check in how she's doing and sees Ken Seeling stopping in the school to see how everyone is doing.

Dr. Brown also discussed with the Board about the Capital Project. It's refreshing to see all the work being done. The parking lot looks full due to the construction workers. The gym floor abatements has begun and work is beginning in the auditorium. The gym floor has a lot of asbestos and can't allow the community to have any of the bricks.

Auditorium seats are being removed. They are not coming apart as nicely as expected. Hoping to have some seats available for those interested. Dr. Brown will share out the renderings for the second story once they are available. The District really misses having the students in the building but, it's also great to see the renovations being done in the building. Bleachers and LED lighting for the auditorium are on back order. The goal is to have the gym ready when students return. Level of detail going into each area is unreal. For instance, the American flag is not going to be a decal in the gym. There will be a cloth flag.

Dr. Brown talked about the school budget vote. There are three incumbents running for the Board Jeff Allen, Sue Campbell and Phyllis Frantel. Amy Carroll has been working very hard in getting the postcard formatted and sending to printer. We are hoping the postcard will be mailed out Wednesday or Friday. The Board is approving the Budget report card tonight. Budget newsletter will be mailed out to community May 20, Ballots mailed out May 21 and Public Hearing will be May 26 6pm.

Dr. Brown shared results from the survey sent out to students and parents. The thought exchange showed things are going well, areas that need improvement. There were 567 participants. Dr. Brown will be having a meeting live streamed to go over the results of the survey within the next few weeks.

Motion by Jeff Allen, seconded by Keri Link to approve the consent agenda.

ADMINISTRATORS' REPORTS

Dr. Christopher Brown: Dr. Brown shared with the Board he calls Mabel to check in how she's doing and sees Ken Seeling stopping in the school to see how everyone is doing.

Dr. Brown also discussed with the Board about the Capital Project. It's refreshing to see all the work being done. The parking lot looks full due to the construction workers. The gym floor abatements has begun and work is beginning in the auditorium. The gym floor has a lot of asbestos and can't allow the community to have any of the bricks.

Auditorium seats are being removed. They are not coming apart as nicely as expected. Hoping to have some seats available for those interested. Dr. Brown will share out the renderings for the second story once they are available. The District really misses having the students in the building but, it's also great to see the renovations being done in the building. Bleachers and LED lighting for the auditorium are on back order. The goal is to have the gym ready when students return. Level of detail going into each area is unreal. For instance, the American flag is not going to be a decal in the gym. There will be a cloth flag.

Dr. Brown talked about the school budget vote. There are three incumbents running for the Board Jeff Allen, Sue Campbell and Phyllis Frantel. Amy Carroll has been working very hard in getting the postcard formatted and sending to printer. We are hoping the postcard will be mailed out Wednesday or Friday. The Board is approving the Budget report card tonight. Budget newsletter will be mailed out to community May 20, Ballots mailed out May 21 and Public Hearing will be May 26 6pm.

Dr. Brown shared results from the survey sent out to students and parents. The thought exchange showed things are going well, areas that need improvement. There were 567 participants. Dr. Brown will be having a meeting live streamed to go over the results of the survey within the next few weeks.
