OF KNOXVILLE

Happy Summer, Webb Upper School!

My name is Gregory Guldin, and I am humbled to begin serving as the new Upper School Dean of Students, effective August 2, 2021. I could not be more excited to join the Webb family, and I look forward to learning more about each of you over the course of the coming school year.

My visit to Webb this past spring left a remarkable impression on me, as I was struck by the quality and energy of the community – the students, faculty, and staff. Everyone I met was proud of their school!

Looking ahead, I ask that all families review the school dress code guidelines and expectations for personal appearance before classes start to avoid any confusion when school begins on August 18. Importantly, we need the help and support of parents to ensure that our students arrive on campus each day in compliance with school policy.

In the meantime, please feel free to contact me, beginning August 2, at 291-3834 if you have any questions at all concerning the upcoming school year and expectations for students.

Go Spartans!
