2021-22 Middle School Supply List

Students will spend the first few days of the year getting their supplies organized, so it is helpful for students to have the supplies listed below by the first days of school. This list may not be all-inclusive and other supplies may be needed during the school year (poster board for projects, additional paper, extra pencils, etc.) For questions about the supply list, contact Karen Snyder, Middle School Principal at ksnyder@marshallschool.org.

All textbooks must be covered with the book covers of your choice. Marshall School will provide an academic planner for each middle school student. Students will need internet access at home.
