Directions for Instructors to Complete this Form

1. Enter your name, class location and day, course number (e.g., CBS 100, 200, 300 or 400) and course title (see your teacher guide) at the top of the page, where indicated.
2. Enter *in alphabetical order* the last and first name of each student for whom you are completing this form.
3. For most students, mark "Summer Assignment" as Complete or Incomplete. For students enrolled *for-credit* (matriculated) at STS Seminary mark "Summer Assignment" with a letter grade for (A, A-, B+ etc. through F). (See course syllabus for details.)
4. Under "HW Unit 1" mark as Complete for non STS students, or provide a letter grade for STS *for credit* students. *If assignments are missing, indicate which assignments are incomplete by number* (e.g., 1.8 for homework unit one, lesson 8). If you are the teacher for units 2 and 3, do the same for Unit 2 and 3 homework in the "HW Unit 2" and "HW Unit 3" columns.
5. Under "Exam 1" indicate the *percentage (preferred)* or a letter grade (Pass/Fail for most; A, A-, B+ etc. for *for credit* students) achieved in the first unit exam. If you are the teacher for units 2 and 3, do the same for unit 2 and 3 exams in the "Exam 2" and "Exam 3" columns.
6. Leave "Scripture Days" columns blank.
7. For each unit, mark "Attendance" as a fraction out of 10 for each unit of study (e.g., 7/10 indicates 7 out of 10 classes *were attended*).
8. For St. Thomas Seminary *for credit* students, indicate the *number of* "Integral Challenge" papers completed and the **average** of the grades achieved on IC papers (E.g., 5 papers; 93% average).
9. Enter a grade into the "Course Grade" column as follows: W = dropped (withdrawn before end of year—a *form is required for STS students*); I = "Incomplete" if not all classroom requirements are met at level required—*form required for STS students*; P = Passed; NP= Not passed. **Enter letter grades (A through F) only for St. Thomas Seminary students** who are enrolled for academic credit and who have completed all assignments. (See course syllabus for grading parameters.)
