

# SLC NEWS!

## SUCCESS LEARNING CENTER

### ***Congratulations Students!***

Congratulations to our students who graduated with their high school diplomas! Many of these graduates were awarded with the Presidential Education Award for Excellence in Education and will move onto Southern California colleges! The SLC students, families and staff had a special graduation and promotion ceremony this year, recognizing the students on their achievements. The SLC teachers and staff are very proud of these students for their accomplishments. Congratulations students on your achievement and we wish you all the success and happiness the world has to offer!

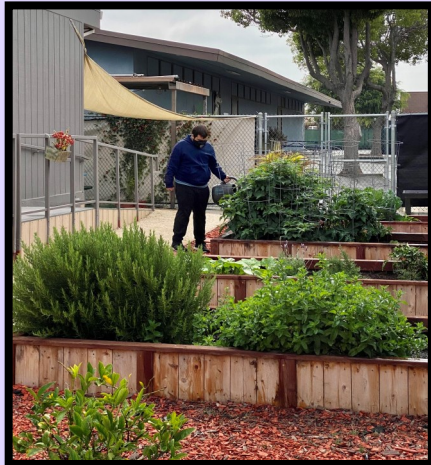

## SPECIAL POINTS OF INTEREST

### Our STEM Garden Has Produce!

We are happy to report that our SLC STEM Garden has tomatoes, squash, rosemary, and mint! The students and staff will look forward to using these vegetables and herbs during ESY to create a nice meal!

## Honors Awarded to SLC Students!

Our students and families participated in our annual award ceremony that honored students for their dedication to our school and community. Students were recognized for their school internships and for their work in the community. Families were treated to speeches made by our students highlighting their appreciation of the SLC staff. We are proud of our students' accomplishments and we are happy that they were able to celebrate with their families and SLC staff!
