Calculator

For Pre-Algebra, Algebra 1, Algebra 1 Accelerated, Geometry, Science and Physics

- TI-84 Plus or TI-84 Plus CE

If you have not purchased one yet, please consider the following. The battery powered option needs 4 AAA batteries replaced every 12-18 months. The rechargeable option needs to be recharged often. You know your son, which would work best for him?

***For art students, Mrs. Mortimer Requests the following:**

- Please keep the box from the bookstore used to bring his books to school. We will use these to store individual art materials.
