- 1 point represents approximately 10 hours of excellent work. Use this formula in awarding points for items not specifically listed.
- To become a Thespian, a student must earn 10 points, 5 of which should be acquired at the school where he or she is to be inducted.
- Induction points should be earned through participation in at least two full-length productions, or one full-length and two one-acts, or four one-acts.
- Induction points should be earned in at least two of the listed categories, for example, acting and production.
- Students may earn up to 5 points toward induction in the high school Thespian troupe through participation in community, choir gala, children's, or professional theatre; in other theatre-related disciplines.
- Thespian membership is offered to all students who qualify. No student can be elected into the troupe, and no student can be denied membership if he or she has fulfilled all membership requirements.
