Principal's Welcome

Happy summer, PRHS families! With a renewed sense of hope and purpose, PRHS looks forward to opening our doors to our community again in Fall 2021, and to getting back to doing what we do best: forming strong relationships with our students and preparing them for whatever their desired future holds. The faculty and staff of PRHS have spent over twenty years partnering with our loyal community to establish this school as a premier high school in the state, and we have a proud history of academic and extra-curricular accolades to show for our efforts. We look forward to more of the same this coming fall!

While the past school year caused no end of disruptions to our normal way of doing business, at the graduation ceremony in May we still found plenty to celebrate: students earning millions of dollars in scholarships, including high profile recognition in programs like the National Merit Scholarship program, over 70 students earned our Distinguished Graduate recognition, others parlayed internship opportunities into jump-starts for careers, and 90% moved on to a 2- or 4-year post-secondary institution. Students' most common colleges included: University of Missouri, Illinois State, University of Illinois at Urbana-Champaign, and Iowa State, although PRHS graduates planned to attend over 107 institutions of higher learning across the country.

Of course, while we will certainly maintain this tradition of excellence, we also realize that the start of school will likely feel very different this fall. In fact, only the incoming senior class of 2022 will have experienced a regular year of high school, to date... when they were freshmen! So, in a sense, PRHS (like all schools) is hitting the re-start button on who we are and what we do. Additionally, we realize that there will be a lot of mixed emotions around returning to school, and that students and adults alike will need effective support systems upon their return. Planning for all of this has already begun, and PRHS will be up to the challenge of providing our students with what they need to engage with classes, to establish a sense of school identity and pride, and to identify whatever supports will help them to find success. Look for more information from me about late summer events and informational meetings aimed at parents and students alike to set us up for success for the upcoming school year.

Families, you can help us to achieve these goals by getting involved. Parents: join our boosters, attend our events and look for opportunities to have your voice heard, such as our Wolf-PAC (Parent Advisory Committee). Contact me directly at skoch@d155.org if you are interested in participating. Students: join clubs, participate in activities, and connect with as many people as possible here. Share and celebrate our amazing school via twitter using the school's handle @PrairieRidgeHS or my principal handle of @SKochPR, or on facebook. Our website also carries important information, and all parents receive a weekly Wolfbites email with timely announcements. You can already mark your calendars for Distribution Days on August 3-5, and also Wednesday, September 8th for Parents' Night 2021 (back to early in the year... per your feedback!). I look forward to seeing and meeting you at these events.

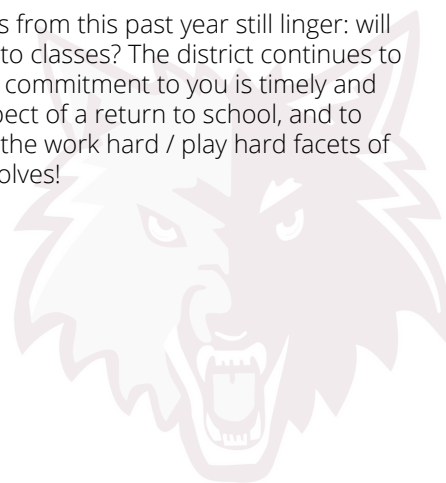

Of course, as of the writing of this newsletter, some questions from this past year still linger: will masks be required? Will there be a remote or zoom element to classes? The district continues to monitor the mandates to which we are held accountable; my commitment to you is timely and clear communication. Regardless, we are thrilled at the prospect of a return to school, and to welcoming our students again and re-engaging them with all the work hard / play hard facets of our great school. I invite you along for that experience. Go Wolves!

Sincerely,

Dr. Steve Koch
Principal

All freshmen must bring the following materials to Distribution Day:

- Current physical examination on the school health form, signed by physician (dated within one year of registration).
- Proof of up-to-date immunizations recorded on the school health form and signed by the health provider. All students must be properly immunized against diphtheria, pertussis, tetanus, polio, rubeola, rubella, and mumps.

The school nurse will be present to verify all required health documents.

MAKE-UP REGISTRATION: Tuesday, August 10; 12:15 - 2:15 PM

Student Services

Student Services encompasses much more than scheduling. Parents and students should feel free to stop in or call our office with any social-emotional needs as our department includes counselors, social workers, a psychologist, and a school nurse. In addition, students and parents have access to our College and Career Center to research various post-high school educational and career options. Student transcripts are also maintained by the Student Services Office.

Student Services on the Web

For a wealth of information about scholarships, post-high school options, ACT/SAT testing, college representative visits, and financial aid, please visit the Student Services website at <https://pr.d155.org/>.

Counselor Summer Hours:

School counselors will be available in the front foyer on August 3, 4, 5, and 10. The only schedule changes allowed will be for errors (i.e. schedule has Spanish IV, but it should be Spanish III).

School Information

Yearbook Information!

The yearbook will be available to purchase only online at www.jostensyearbooks.com, or visit this [direct link](#) for Prairie Ridge High School. The cost of the Yearbook is \$47.

Freshman Chromebook Distribution

Chromebooks will be distributed to freshmen, Class of 2025 and transfer students during distribution days, as part of the district's one-to-one computing program.

Student ID's & Yearbook Pictures

Every student's ID picture will be taken during Distribution Days. Please dress appropriately and come prepared to be photographed. For freshmen, sophomores, and juniors, this photo will be used in the yearbook.

Computer Access for Online Registration

Don't have a computer or access to a computer to update student information or make an online fee payment? No problem! Computers are available for parent use at Prairie Ridge during the summer. Stop in Monday through Thursday (7 a.m.-3 p.m.) or Fridays (7 a.m.-11 a.m.). You may also pay fees in the main office with cash or check prior to the Distribution Days.

Transportation

Buses will not run on distribution days and Freshman Orientation. Buses begin running on August 11, the first day of school. Bus route and stop information will be mailed to each student's home in August. Bus schedules and information will be available on freshman distribution day should you have any questions.

Physical Education Uniforms

All freshmen and transfer students will be provided with a Prairie Ridge physical education uniform consisting of a t-shirt and shorts as part of their \$230.00 registration fee. Uniforms will be available for these students to pick up during the Distribution Days. For returning students, replacement uniform shirts and shorts are available for purchase online prior to Distribution Days or in the main office during the school year.

Freshman Orientation

To help freshmen begin their Prairie Ridge experience more smoothly, we will conduct Freshman Orientation on Tuesday, August 10. The orientation program will consist of an assembly in the gym followed by a variety of team-building activities led by a group of juniors and seniors who have been selected to be Link Leaders. These leaders will serve as mentors to the incoming freshmen throughout the year and they will be inviting them to participate in a variety of school related activities. Orientation will start promptly at 8:00 a.m. in the North Gym and end at noon. Please be sure your student dresses comfortably: shorts and shoes are appropriate. They will be sitting in bleachers and on the floor. Students will not be following their schedule. Students may look for their classrooms on Freshman Distribution Day, during which time Link Leaders will be throughout the building to help.

Note: There will be no bus transportation for Freshman Orientation, so freshmen must arrange their own transportation.

School Procedures

ID Cards

ID pictures will be taken and cards given to students on Distribution Day. Students are required to carry their ID cards at all times while at school. The ID is required for attendance purposes in various classes. Depending on the student's schedule, grade, and optional purchases, it may serve as the activity ticket, lunch release, lunch ticket, work release, and bus route identification. If an ID is forgotten, a temporary ID can be purchased daily for \$1. If your student's ID is damaged or lost, a \$5 fee will be assessed for replacement. Make sure you have your ID before you leave Distribution Day.

Student Handbook

The student handbook includes all school rules and regulations on academics, student conduct, attendance, transportation, athletics, and activities. Parents and students must become familiar with the content of the student handbook, which is available on the school's website. All students will be held accountable for the information found in the handbook, which can be found on our [website](#).

Student Attire & Dress

To enhance the educational atmosphere of our school, students must remove all outerwear (coats and jackets) and headgear such as hats, sunglasses, and bandanas upon entering the building. These items are to be left in the student's locker during the school day. Other clothing deemed inappropriate at school includes loose-fitting pants that the student does not keep pulled up; t-shirts carrying an inappropriate message or advertising of alcohol, tobacco, or drugs; or tops/shorts/skirts/pants that are too revealing.

Driver's Education

State law requires that no student be permitted to take driver's education courses unless he/she has received a passing grade in at least eight credit-carrying courses during the previous two semesters of school. All students enrolled in Behind-the-Wheel driver's education must pay a \$200.00 fee due at registration plus the Secretary of State permit fee of \$20.00 due on the first day of class. Students will fill out the permit application on the first day of class.

School Lunches

Lunch Purchases

Due to the exceptional circumstances of COVID-19, free breakfast and lunch meals will continue to be available to **all** students in District 155 through a Federal grant program. District 155 allows students to use their ID card to make additional cafeteria purchases. The cashless purchase program allows a student/parent to add money to the ID by clicking the "Food Service" link in Skyward Family Access. For more information about the cafeteria, menus, and the cashless lunch system, click the "Food Services" link on the school's website under "Parents."

Lunch Release

Juniors and seniors: All students who desire lunch release need to complete a release form for the 2020-21 school year regardless if they had lunch release last year. Forms can be found in the dean's office.

Freshmen/Sophomores: No freshmen or sophomores are allowed to leave campus during lunch. If a student chooses to violate this rule, consequences may include a four-hour detention for the first offense and loss of future lunch release privileges.

Free or Reduced Lunch and/or Waiver of Fees

Applications should be completed and returned **before** Distribution Day. To apply, parents must complete a financial needs application certifying their eligibility based on family income. For fee waivers, parents must bring copies of the previous four weeks income including pay stubs for everyone in the household, child support, or filed 2020 tax form to the Student Services Office to complete the paperwork. Waiver forms will be available late July.

If you have any questions regarding the direct certification process or about the forms, please call the Student Services Office at 815-479-0404, ext. 5110.

Student Parking

Due to limited space, only juniors and seniors **with** a permit are allowed to park in the student lot. Permits can be purchased for \$150.00 with cash or check only. Permits are applied for during the spring semester of the previous school year. There is limited to no availability of permitted spots for purchase in the fall. Pre-approved emergency single day parking passes are available for \$5.00 per day. Emergency permits are for the **north lot only**. Please see the dean's secretary for details. As a reminder, parking is a privilege at Prairie Ridge. All guidelines on the parking agreement should be followed to maintain full use of your pass.

School Procedures

Attendance

Because irregular or poor attendance denies the student opportunities to maximize benefits from teachers and fellow students, the following policies have been adopted:

- A parent or guardian must call the school each day a student misses all or part of his/her school day.
- You may leave information on the automated voice mail system 24 hours a day, or you may call the switchboard between the hours of 7 a.m. and 4 p.m.
- Written notes are not acceptable to excuse absences.
- Written notes are not acceptable to excuse absences.
- A student is only allowed NINE days of absence without question, per semester, provided there is a call from a parent. *(Note: Absences that are valid and accompanied by supporting documentation are not counted toward the nine days of absence.)* Please see the student handbook or the website for further information.

24-Hour Attendance Hotline: (815) 893-5600

Attendance Notifications

Prairie Ridge will use an automated calling system to alert parents when their student is considered absent/ truant. The notification system also allows the school to communicate via text message. Parents and guardians who gave permission to be called and/or texted and provided a mobile phone number during online registration will receive attendance notifications. Parents and guardians can revoke this consent at any time by notifying Shannon Podzimek, director of communications, spodzimek@d155.org, or by following the instructions in the automated phone call or text messages. Please ensure that your primary number stays up-to-date throughout the year so that we can provide you with pertinent information if necessary.

More Policies & Procedures

More information about policies and procedures is available in the student handbook and the board of education policies. Both are available through links at www.d155.org.

Emergency Contact & Health Information

Emergency contact and health information may be updated by the parent/guardian at any time during the school year. This emergency information is important to your child's welfare in the event of an illness or injury occurring at school. Please take the time during online registration or at any time during the school year to review this information and make any necessary updates or corrections. This information can be changed in [Skyward Family Access](#) under "For Parents", "General Information", and then "Student Information". Click "Request change(s) to my child's information" and save any changes.

School Nurse

There is a school nurse on duty each day. A student who becomes ill at any time during the day should obtain a pass from a teacher and go to the nurse's office. If the illness is of a nature which requires a student to be sent home, the nurse will issue a pass to leave school. A student may not go home due to illness without permission from the nurse. The nurse's office is not intended to be used as a location to rest or avoid classes. Additional information is available on the [D155 website](#). Click on the "Parents" tab and choose the "Health Services" link.

Freshman Physicals

All freshmen are required by law to have a physical examination, completed on a Department of Human Services State of Illinois Certificate of Child Health Examination form. Freshmen must present this current physical examination on freshmen distribution day. The physical examination needs to be dated within the 12 months prior to freshmen distribution day.

Your physician will need to sign this form in two places;

1. The immunization portion; and
2. The physical examination portion

A Parent/Guardian needs to complete, sign, and date the "Health History" section on the back of the physical form prior to the appointment with a health care provider.

If your student is interested in participating in athletics, an additional copy of the Certificate of Child Health Examination must be submitted to the Athletic Department.

On freshmen Distribution Day (August 5) you will need to present the Certificate of Child Health Examination physical form with immunizations to the School Nurse. This will be your ticket into freshmen distribution day. Physicals will not be collected at the school prior to that date.

Freshman Dental Exams

In addition to the Certificate of Child Health Examination form, the Illinois Department of Public Health also requires that students entering grade 9 have a dental exam on file. School dental examinations must have been completed within 18 months of freshman year. The form you will need to submit for this requirement is called the "Proof of School Dental Examination Form."

Senior Meningitis Vaccination Requirements

The Illinois Department of Public Health requires that students entering 12th grade must be immunized for meningococcal disease. All 12th graders will need to show proof of receiving two doses unless the first dose was administered after 16 years of age. In this case, only one dose after 16 years of age is required. Documentation must be provided to the school nurse on/before Distribution Day in August 2021.

Medication Form

If your student requires medication at school, the medication authorization form must be on file in the nurse's office. You may download this form using the steps listed above. **This form is required for both prescription and over-the-counter medications** including Tylenol, aspirin, Midol, antacids, etc. as well as asthma inhalers and Epi-pens. Students may carry inhalers and Epi-pens with them during the school day.

Asthma Action Plan

The State of Illinois passed a bill that now requires students with asthma to provide the school nurse with an "Asthma Action Plan." The "Asthma Action Plan" should be a written plan developed with a student's medical provider to help control their asthma.

Parents or guardians must provide the school nurse with written authorization for self-administration and self-carry of asthma medication. Permission needs to be renewed each school year.

The "Asthma Action Plan" must be kept on file in the school nurse's office. For more information visit the school nurse's webpage by using the steps listed above.

Athletics

Athletic Staff, Practices, & Other Information

Information about athletic teams, registration, tryouts, and practices is available on the athletic website at <https://prhs.rschooleams.com/>. You will also find game cancellation notices, schedule updates, driving directions, scores, rosters, news, and other announcements.

Season Passes

A limited amount of season tickets for football, basketball, volleyball, and wrestling events will be on sale during Meet the Teams night and the season's first games. Season tickets allow entrance to all home games except IHSA tournament events.

Athletic Department

Athletic Director: **Mark Gilbert**

Assistant Athletic Directors:
Kristen McGowan (Aug. - Nov.)
Chris Schremp (Dec. - June)

Athletic Secretary: **Janie Piccolo**

Athletic Trainer: **Anna Holke Naranjo**

Physical Forms

Student-athletes in all grade levels must turn in an updated physical form to the Athletic Office by August 2.

Fall Sports Pictures

All fall sports pictures will be taken on Saturday, August 21. See your coach for times and information.

Admission Price to Athletic Events

Admission prices to Fox Valley Conference and other athletic contests are \$5.00 for adults, \$3.00 for students with ID cards and \$2.00 for children in 5th grade and younger. Football, volleyball, boys/girls basketball and wrestling home events are free if a student has a PR activity ticket. Costs for IHSA tournament events may differ, and no passes can be accepted for such events.

Golden Age Passes

For those in the community who are over the age of 60, a Golden Age Pass is provided at no charge. Anyone wishing to obtain a Golden Age Pass for our activities should contact Mrs. Dolan in the Principal's Office. The pass may be used to gain admittance to all school-sponsored activities throughout the district for the holder and his/her spouse. Please note that these passes may not be used at IHSA tournament events.

Homecoming

The Homecoming parade and football game will be held on Friday, October 1, and the Homecoming Dance will be on Saturday, October 2.

Athletic Fees

Student athletic participation fees for 2021-22 are \$100 per sport, with a student maximum of \$200 per student, and a family maximum of \$400 per household.

Athletic fees will be due after rosters have been finalized. The athletic fee will be posted in Skyward Family Access. Athletic fee payments can be completed through Skyward Family Access. After logging in, go to "Fee Management" to pay the fees associated with your student. Discover, Visa, and MasterCard are accepted for online payment. Athletic fees can be paid in person at school in the front office. Checks are payable to Community High School District 155. The athletic participation fee(s) will be waived for students who qualify and apply for fee waivers.

District 155 has a no refund policy after the first IHSA event/contest. Athletes who quit their sport prior to the first IHSA event/contest are eligible for a full refund, but must meet the following conditions:

- Notify the coach and athletic office (Athlete should notify coach and athletic office via email)
- Must be cleared of all uniform/equipment rentals by coach

Parent's Night

Wednesday, September 8, 2021

7:00 p.m.

Please begin the evening in your child's first period class. If your child has study hall or physical education for first period, begin in the cafeteria. All members of the faculty will be in classrooms from 7:00-9:07 p.m. to meet with you according to your child's daily schedule. Please ask your son/daughter to fill in his/her schedule for Wednesday, or you may print a copy of your child's schedule through Family Access. There will be no scheduled study halls; instead you are invited to visit the cafeteria for refreshments.

We continue to extend our heartiest welcome to all parents to contact or visit the school on other occasions, but we particularly encourage you to attend Parents' Night.

Please bring this completed form with you on September 8.
