## Welcome!

Hello! I am so excited to be returning to BFHS as an 11th Grade American History teacher and Classical Education Instructional Coach. I taught 10th Grade European History at BFHS from 2017-2020 and 10th Grade Humane Letters and 7th Grade World History at Tempe Preparatory Academy for the past year. While European History will always be my first love, studying the American experiment while incorporating into the classroom the values our Founding Fathers held most dear is going to be a delight. And don't worry, I have not forgotten the Charger Way!

## Educational Philosophy

Inspired by my encounter with the Good, the True, and the Beautiful at Hillsdale College, I desire the same encounter for my colleagues and students. I firmly believe that Classical Education is a path that all people can take to reach these transcendentals, which are the key to a happy and meaningful life.

## What I'm Looking Forward to...

I am looking forward to working with our wonderful staff and helping to integrate BFHS's classical education mission in the classroom in the coming school year.
