BISD will incorporate EduSmart Science in grades K-5 beginning 2021!

Join us for one of our *eduSmart* Science Overview workshops where you will learn how to create classes, assign activities and create assessments within the *eduSmart* environment.

These sessions will be held **face to face** in the **CAB cafeteria**. Participants will receive practical hands-on experience incorporating the resource into their curriculum.

Contact Roman Gómez regomez@bisd.us for more information.

Why EduSmart?

- *EduSmart* promotes Science literacy and collaborative problem-solving with STEM activities.

- Encourages Cooperative Learning.

- Technology-based solutions have been developed in collaboration with teachers to ensure value in an instructor-led environment.

- Enhances classroom experience for both students and teachers without disrupting current classroom practices.
