Policies and Procedures

Smart Tuition has been contracted to process FCA's tuition and fee payments. Smart Tuition provides tuition management services allowing families to make payments through a checking or savings account or credit card (subject to a convenience fee). The enrollment process includes registering with Smart Tuition at www.enrollwithsmart.com.

Faith Christian Academy's past due tuition policy states that if an account becomes past due by more than thirty days during the school year, the account must be brought current within ten days or the student(s) will be removed. If necessary, special arrangements should be made with the Business Office prior to the tuition/fee due date.

Variable Tuition

Thanks to generous donors and our successful fundraising campaigns each year, the cost of educating each student is offset significantly. FCA passes these savings along to every family, and each family's savings are varied based on financial factors. To maximize your family's benefit, applications may be submitted online at <https://smartaidforparents.com>. FCA will contact each applicant directly with the results, which may take a few weeks to process.

Faith Christian Academy is a 501(c)(3) nonprofit organization providing academic, athletic, and spiritual excellence to students and their families since 1973.
