## 1. PURPOSE AND PHILOSOPHY

- 1.1. To specify Davis School District (District) student registration and transfer procedures.
- 1.2. To provide an effective and smooth transition for students at registration and withdrawal from school.
- 1.3. To provide teacher services to homebound or hospitalized students who qualify for the service.
- 1.4. To ensure that homeless children and children of a military family have the opportunity to attend school with as little disruption as reasonably possible.

## 2. RESIDENCY DETERMINATIONS

- 2.1 The District is responsible for providing educational services for all children of school age who are residents of the District. The school district of residence of a minor child whose custodial parent resides within Utah is:
  - 2.1.1. the school district in which the custodial parent resides; or
  - 2.1.2. the school district in which the child resides:
    - [a] while in the custody or under the supervision (as defined in this policy) of a Utah state agency, local mental health authority, or substance abuse authority;
    - [b] while under the supervision of a private or public agency which is in compliance with [Utah Code Ann. §62A-4A-606](#) and is authorized to provide child placement services by the state;
    - [c] while living with a responsible adult resident of the District, if the Director of Admissions has determined that:
      - (i) the child's physical, mental, moral, or emotional health will best be served by considering the child to be a resident for school purposes;
      - (ii) exigent circumstances exist that do not permit the case to be appropriately addressed under [Utah Code Ann. §53G-6-402](#);
      - (iii) considering the child to be a resident of the District would not violate any other law or rule of the State Board of Education;
      - (iv) the child is receiving services from a health care facility or human services program, in accordance with Utah Administrative Code R277-621; or
      - (v) the child's parent moves from the state and has executed a legal power of attorney that meets the requirements of Utah Code Ann. §53G-6-302 (3)(d).
    - [d] while living with a responsible adult resident of the District who has been granted a court-ordered guardianship of the child; or
    - [e] if the child is married or has been determined to be an emancipated minor by a court of law or by a state administrative agency authorized to make that determination.
  - 2.1.3. Before a student is enrolled in a District school, the student's parent must show proof of residency in the boundaries of the school which the student desires to attend. For the protection of privacy and confidentiality schools shall not retain

required verification documents.

- 2.1.4. Absent a safe schools violation, continual violations of the District truancy policy, or transfer to an alternative educational program, all students will be allowed to enroll in their school of residence until the end of their senior year. This opportunity is unrelated to the number of academic or citizenship credits earned by the student. Students under the protection of the IDEA have additional opportunities.

## 2.2. LEGAL GUARDIANSHIP

- 2.2.1. If guardianship of a minor child is awarded to a resident of the District by action of a court the child becomes a resident of the District.
  - [a] The guardianship status continues until terminated.
  - [b] A document issued by other than a court of law which purports to award guardianship to a person who is not a legal resident of the jurisdiction in which the guardianship is awarded is not valid in the state of Utah until reviewed and approved by a Utah court.
- 2.2.2. When a child's residence is established by transfer of legal guardianship, no tuition shall be charged.
