HIRING SUBSTITUTE SCHOOL BUS DRIVERS

Do you
like kids?

Are you a
safe driver?

*Why not become a
school bus driver?*

The South Kitsap School District is currently hiring substitute school bus drivers. We offer a paid comprehensive training program. With the completion of our training, you will become a CDL licensed driver and a valuable member of our driving team.

This is a very rewarding occupation and an excellent source of supplemental income.

When hired our substitutes are paid \$15.81 per hour.
