

INDEPENDENT SCHOOL DISTRICT 283

SECTION/FILE 642 **DATE OF ADOPTION** 09.30.75
REVISED 10.22.80; 2.26.07

TITLE Student Progress Reports to Parents/Guardians

PROCEDURES

In the elementary schools, written progress reports shall be transmitted to all parents through their students at the end of the first semester and mailed at the conclusion of the school year. In addition, regularly scheduled parent-teacher conferences shall be conducted in the fall and spring.

Junior high school students shall receive a report card at the end of the first, second, and third quarters. The year-end report card shall be mailed to all parents/guardians. Two formal parent-teacher conferences shall also be made available to the parents/guardians of junior high school students, in the fall and spring.

Senior high school students shall receive a report card at the end of the first, second, and third quarters. At the conclusion of the fourth quarter, report cards shall be mailed to all parents/guardians; however, students who have reached the age of majority may request that the year-end report be mailed to them rather than to their parents. Two formal parent-teacher conferences shall also be made available to the parents/guardians of senior high school students, in the fall and spring.

At all levels, additional reports and conferences shall be arranged as needed.
