Career Opportunities

For someone with a calm demeanour, natural authority and a highly organised way of working, this supervisory role offers variety with both teaching and assessment responsibilities, and is a unique opportunity to join a thriving new school that moved into its new building in January 2021. An additional feature is supporting our gifted and talented students with small group work, deeper thinking challenges and 1:1 development.

This role would suit a person who can demonstrate good behaviour management skills in the classroom, with experience of support staff roles in schools and ideally with A level standard of education, a teacher looking for a new challenge, or a graduate keen to explore career possibilities in the world of education.

Coombe Wood School will begin its fourth year of opening in September with around 800 students across years 7, 8, 9, 10 and the new lower sixth. It has been heavily oversubscribed for the 180 places each September.

The successful candidate will benefit from extensive career opportunities in a school with a track record of promoting outstanding performers from within. Coombe Wood School will continue to expand its teaching and support staff for the next three years as students begin to embark on their GCSEs and we open our 6th form provision.

We have worked hard to ensure that our core values are practiced in the classroom, to promote a calm environment where learning is encouraged and students take pride in their progress. Combining traditional and cutting edge teaching methods, Coombe Wood uses effective models of in-class support that enable students to be as independent as possible, while receiving the scaffolding they need to encourage achievement.

As with all roles that support learning, staff are required to be flexible so the remit includes both group support and individual work with some of our students; we all encourage a tidy, smart working environment that promotes a pride in the school. If you are an enthusiastic team player ready to join us on this journey, please access further details of the duties which are listed in the Job Description in the Candidate Pack available for download on <http://www.cws-croydon.co.uk/Current-Opportunities>

This role has the potential to be refined and more specialised as the school grows towards its full capacity.
