Face Coverings

Ventilation/Hand washing/Disinfecting/Cleaning

Meals/Transportation/Miscellaneous

WELCOME BACK
 CDPH strongly encourages all students (age 12 and above) and all staff to get vaccinated

Self-Check at Home

All TUSD staff and students must conduct a self-screening for COVID-19 symptoms prior to coming to school. If you experience symptoms such as: coughing, difficulty breathing, sore throat, chills/body aches, fever, runny nose, new loss of smell or taste, nausea/vomiting, diarrhea, headache, **please stay home.**

COVID Symptoms Area

- There will be a designated area in the office for students showing COVID symptoms and a different area for students with Non-COVID symptoms.
- Please make sure the school has your most updated phone number so you can be reached quickly if your child is not feeling well.
- Contact tracing will be reported and monitored by school and district personnel daily.
- If a student tests positive for COVID, please notify the school immediately.

Face Covering Protocol

- While indoors, all students and staff must wear a face covering each day on a school campus.
- Students and staff can remove their face covering for eating and drinking.
- Students and staff do not need to wear a face covering outdoors.
- For crowded outdoor spaces that involve sustained close contact with other people, students and staff are strongly encouraged to wear a face covering.

CDPH Guidelines (7/12/21)

- 2 years old-12th grade and TYAP students and staff must wear a face covering while indoors at school (please notify your school administration of any medical exemptions that prevent a face covering to be worn).

Ventilation

- All classroom and school buildings equipped with MERV 13 filters.

Disinfecting/Handwashing/Cleaning

- All rooms equipped with disinfectant and spray hand sanitizer.
- Students and staff will wash their hands frequently and/or use hand sanitizer frequently (you may also send a small hand sanitizer to school with your child).
- All classrooms will be cleaned and disinfected daily.
- If a facility has had a sick person with COVID 19 within 24 hours, extra cleaning and disinfecting of the space will be completed.

Restrooms/locker rooms/water Fountains

- Restrooms are disinfected and cleaned daily.
- Locker rooms/gyms/shared spaces are disinfected and cleaned daily.
- Drinking fountains will be available and sanitized regularly during school day. Please bring your own water bottle.

Playground Equipment/Structures

- All playground equipment and structures will be open for students.

Breakfast, Lunch, Snacks

- Students and staff will have the opportunity to eat their snacks and meals indoors and outdoors where practicable and available.
- Food will be served individually on plates or in a bag.
- Students should avoid sharing foods and/or utensils.
- Touched surfaces will be cleaned frequently.

Bus

- All busses are cleaned and disinfected on a regular basis.
- Students must always wear a face mask when on the bus.
- If a student becomes ill during the school day, the student will not be allowed to use the bus in the afternoon. Parents will need to pick up the student from the school site directly.
