Calendar Notes:

- This calendar is **subject to change**. Please pay close attention to Mercy Update emails throughout the school year for any calendar changes.
- Absences before or after a scheduled school holiday are not excused without a doctor's note.
- A "conditional absence" (e.g., grade school retreats, leadership/educational conferences, athletic travel, etc.) is an excused absence that meets specific guidelines. In order for the absence to be considered for approval, a parent/guardian must complete and submit a conditional absence request form to the assistant principal **at least one week prior** to the requested date of absence.
- Mercy is allotted a total of five online school days. These are asynchronous days where students learn from home. Two of these days are built into the calendar in advance, but may be removed due to an excessive amount of unforeseen closures. The remaining two days will be used prior to removing scheduled online school days or adding to the end of the school year. Changes will be communicated through the Mercy Update emails.
