

February 2021

Dear Fairfield Families,

We can't believe we are more than half-way through the year! We enjoyed watching our girls' basketball team compete this season and are looking forward to wrestling, Science Olympiad meets, robotics challenges and music festivals. Thank you for all you do to make Fairfield an excellent place to learn!

Information

- Parent Teacher conferences are coming up, you will be able to schedule phone appointments in your myDSD account between 2/17-2/21.
- This has been a difficult year in many ways. We want to remind you that we can help connect families to resources that provide financial and/or emotional support. Contact our counseling department at 801-402-7007 if we can help.
- Please review the FFJH dress code and support your child in being on-track in their dress each day. As a reminder: shoulders should be covered, the area from the armpit to mid-thigh should be covered, the length of shorts/skirts should be closer to the top of the knee than to the top of the inseam (this includes holes in pants).

- Our students continue to do a great job wearing their masks, helping to keep Fairfield open for business. Please check that your child's mask fits properly and stays over their nose without trouble.
