

Use of ARP-ESSER III Funds Plan

District 118 will utilize funds to implement prevention and mitigation strategies that are, to the greatest extent practicable, in line with the most recent CDC guidance, to operate schools safely for in-person learning:

- Additional district nurse, building support and custodial staff

District 118 will utilize funds to address the academic impact of lost instructional time through the implementation of:

- Summer math enrichment program;
- Summer math intervention program;
- Research based reading and math interventions;
- Research based reading and math online technology programs;
- Before school intervention reading and math instruction

District 118 will utilize funds to respond to the social, emotional, and mental health needs of all students:

- Implement a student wellness check -in tool to regulate students' well-being and provide intervention as needed
