  - April 13<sup>th</sup> – Final turn in day for cash/checks. Prizes based on how much they bring in (tracked per student). Prize distribution in mid-May for the prize earned based on the amount they sold. No day of awesomeness this year due to Covid, so they are giving us a higher % of profit.
  - We sold \$25,000 in sales last year (not profit)

### **New business**

- Possible future fundraising idea – Give to the Max day. Having a big project goal helped MSA raise a lot of money doing this. Possible idea for our fall fundraiser. Will need to check into a PTO vs a charter school doing Give to the Max day
- Staff Appreciation May 3-7 \$500 budget. All staff is about 100 people. Will do something Mon-Thurs for staff and can deliver for the VLA staff (only 2 currently).
- Positions open for next year
  - Treasurer
  - Community Night coordinator
- Discussion about funding planners. We will wait to approve until we see how much the Spring fundraiser brings in. Cost approx. \$3300
- No virtual option for 8<sup>th</sup> grade retreat. We are not sure if the 5K is cancelled for this year or not. The schools are not allowed to do any celebrations until Summer. Maybe teachers can do something smaller by classroom to celebrate

Meeting adjourned.

Next meetings April 19 and May 24. We will meet hybrid (in person and online)
