

Dear Parents and Carers 19.7.21

Welcome to the final week of Year 2!

There is no doubt that this academic year has been a very challenging one at times, but it has also been very rewarding; especially when we see how resilient and adaptable the children have been to the different changes that have come our way. No matter if we have been learning within the academy or online, the children have been such a credit to Robsack Wood with their attitude to learning.

The whole of the Year 2 team would like to say a massive thank you to all parents and carers. Your support has really made a world of difference to us during what has been a challenging year for us all.

Transition Week

This week we will be focusing on all of our achievements of the year. We will celebrate our successes and think about setting ourselves goals for our Year 3 adventure. Within the classroom we will be thinking about what will be the same and what will be different in September. We will be playing team games to support us overcome any challenges and all participate in a collaborative art project. There may be a few exciting surprises to look forward to at the end of the week as well!

Meet The Teacher

The children will find out on Monday who their new teacher and support staff will be. On Tuesday and Wednesday afternoon the new teachers will spend time in the Year 2 classrooms. This will allow the children to get to know their new adults in a comfortable environment.

Summer Reading Challenge

We will be collecting all reading books back in this week. Children will be set reading on bug club to access online throughout the holiday. We would encourage children to continue reading everyday. Why not participate in the library summer reading challenge to win some prizes along the way?
