Additional Property Information

1. Cell Phones

While not required or needed, the use of cell phones or smart watches at Missouri Military Academy is considered a privilege that is earned, and may be rescinded at any time by any staff, faculty, or coach. New cadets, while on Maroon Phase, are not authorized to use their cell phones. Cadets who bring cell phones or smart watches to campus will be required to check those devices in for safe keeping with their respective company leadership advisor (CLA) starting at 1700 on Sunday afternoons after general leave has ended and prior to the evening meal. Cadets in good standing will be allowed to check out their cell phones and smart watches at the start of general leave on Fridays after the evening meal.

2. Computers and Electronics

All cadets will be issued an MMA computer (See One-to-One Laptop Policy). Time of usage and internet access is regulated by the chief information officer. Game units are allowed; access is regulated by the commandant of cadets.

3. Eye Glasses and Contact Lenses

If glasses are worn in review formations, cadets may only wear glasses with clear lenses. Having two pairs of glasses on campus is highly suggested. Cadets wearing contact lenses should bring a spare pair of glasses.

4. Photo Identification

If your cadet travels via airline at any time during the school year (furloughs or school related trips), he will need government-issued photo identification prior to his arrival on campus.

5. Musical Instruments

Cadet musicians may bring instruments from home that they plan to use at MMA. Cadets may rent instruments from the Academy.

6. Keepsakes

Keepsakes such as rings, valuable watches or other articles of real or sentimental value should not be brought to campus. The Academy assumes no liability in case of loss or damage.

7. Property Damage

Property damage by cadets will be repaired at their expense. Where individual responsibility cannot be definitively determined, cost of repair will be prorated. The family will be charged \$350 per item plus the cost of repair.

8. School Supplies

The Quartermaster Store will issue a school supply kit to all new cadets as part of their uniform package. Replacement supplies may be purchased through the Quartermaster Store.

9. Storage

The Academy will store Academy issued property, except personal clothing, over the summer months. Luggage and boxes must be plainly labeled with the owner's name, and an inventory list is given to the commandant.

Cadets may store uniforms over the summer for a fee of \$50. The uniforms must be placed in a garment bag and the storage must be coordinated through the quartermaster. The garment bags will be stored in a temperature controlled environment over the summer. However, the Academy assumes no liability in

case of loss or damage. Any property remaining on campus after graduation that is not placed into storage will be considered abandoned property.

10. Contraband

Contraband is defined as any object that is prohibited for use on campus. Weapons or knives of any kind, lighters, matches, candles, laser pointers/devices regardless of classification, coffee pots, cooking/heating devices, ice coolers/chests, refrigerators, lamps, plants, fans, and animals are considered contraband and are not permitted.

MMA is a drug-free and tobacco-free school. Tobacco, in any form, vaping items, intoxicating beverages, controlled substances, narcotics, illegal substances, over-the-counter medications and drug paraphernalia are strictly forbidden. No protein powders or protein drinks are allowed.

11. Prescription Medications

All prescription and over-the-counter medications must be kept in the MMA Cadet Health Center. These items should be taken to the Cadet Health Center upon enrollment.
