Mrs. Studer

For Dual Enrollment English III, you will be required to complete two summer reading assignments that will count as the first grades of your spring semester Honors English III class with Mrs. Studer. You will hand in these assignments on the first day of school in August, taking them to Mrs. Studer in her classroom. Mrs. Studer will keep them until you start her class in the spring. If you don't have them ready to turn in on the first day of school, late points will be deducted when they are graded for the spring term!

You will be required to read TWO books.

1. First, you must read Arthur Miller's play, *The Crucible*. While reading the play, you must use sticky notes to annotate it for significant passages pertaining to characterization, conflict, and theme. There is no specific requirement regarding the number of sticky notes you do--just be prepared to take an open-book literary analysis quiz on the first day of the spring semester. You will hand in your annotated novel on the first day of school in August. Be sure to have a sticky note with your name on it on the cover.

2. For your second book, you must complete the assignment as directed below.

This summer you must choose one full-length work of NONFICTION to read. **Your book of choice must focus on the life of a notable American OR on a significant event in American history.** The only books you are not allowed to choose are *Unbroken* by Laura Hillenbrand and *The Immortal Life of Henrietta Lacks* by Rebecca Skloot.

Below are some lists that might be helpful in choosing a book.
