DISCUSSION

1. **Update from the Coleytown Middle School Building Committee** - No public comment responses received during the live meeting. One test response submitted.

2. **Update from the School Reopening Committee -**

Full Name	Address	Comment
Melanie Heiser	6 Smokey Lane	Has the board explored the possibility of allowing elementary aged students to remain with their current teachers and classmates if the district must open with distance learning? This is being considered in other districts in the region.
Harris M Falk	RTM District 2 14 Overlook Road	No matter what, plan for providing a self-directed distance learning. Teachers need to ask of each student the following: What do you need to learn? What do you not know? How can we design a way for you to learn it? How will you know that you have learned it? If you get stuck, I am here to help you. If schools aren't open then we're ready. If they are open, then the learning stays the same at a much shorter (classroom) distance. Either way, each and every student gets an education at a method and level appropriate to their needs. Thank you.
