TROPHY AWARDS SUMMER 2021

Dear Parents, Relatives and Friends,

At the end of every term, the teaching team in each class award trophies to three children:

Perseverance Trophy, Maths Trophy and the English Trophy. The trophies are not awarded on ability but for effort and excellent attitude.

It has been my pleasure to award the trophies this morning and the children received huge rounds of applause of congratulations from their classmates. I would like to say a fantastic well done to the children and also to all children in our school, who have worked incredibly hard this term and we are very proud of all of you!

Buckingham Class

Jacky Sykes

Perseverance: Zach

Zach is consistently cheerful, supportive and takes an active part in all lessons. He is a wonderful role model, friend and learner. He has made excellent progress throughout his time at Bishops and that is due to his excellent focus and determination. We are very proud of you, Zach!

Maths—Becky

Becky began the year always doubting her abilities in maths and has gone from strength to strength. She writes superb explanations and takes an active role in lessons, which is fantastic to see. Keep believing in yourself, Becky.

English—Leah

Leah consistently works hard in English to write to the best of her ability, using a range of punctuation, adverbs and conjunctions. She can write brilliantly across the curriculum and has produced some superb work in History, Geography and RE. We have been really pleased with how hard Leah has worked at editing her writing and the focus she applies to every task.

Holyrood Class

Perseverance: Pippa

Pippa deserves the perseverance award because of her resilience and always giving it her best efforts. She is always willing to have a go and has shown great determination in all aspects of her learning this academic year, particularly in maths and English. As a result, Pippa has made great progress and she should be so proud.

Maths: Imogen

Imogen deserves the maths award because of her excellent determination and hard work in consolidating her times tables and division facts up to 12 x 12. In addition, her maths work for the entire academic year has been tremendous, from her impeccable presentation to her superb problem solving and reasoning.

English: Hannah

Hannah deserves the English award because of her fantastic attitude towards the different genres we have covered this academic year. She has immersed herself in all the texts we have read and focussed our written work on. Hannah's presentation of work is brilliant: she has worked hard with her spellings and always attempts to integrate grammatical features we have learned into her work.

TROPHY AWARDS SUMMER 2021

Windsor Class

Perseverance: Maxwell

Maxwell has been chosen for the perseverance award this term for this huge amount of enthusiasm, determination and effort across all subjects this term. Maxwell has worked hard at aiming to reach challenges in all lessons. We are very proud of you, Max!

Maths: Nathan

Nathan has shown huge commitment, enthusiasm and determination towards his maths lessons this term, which has resulted in great achievements. He has consistently tried his absolute best and we are very proud of him.

English: Ruby

Ruby has shown huge dedication to her writing, paying attention to detail, using amazing vocabulary and using higher-level punctuation with accuracy. She writes with detail to engage the reader, listens well to how she can develop her work, and has written some engaging and creative pieces of work.

Kensington Class

Perseverance: Tobias

Tobias has been chosen for the Perseverance Award. He has had a fantastic year in Year 2. He has grown in confidence and become so much more independent. His enjoyment for reading and his determination to read has been such a pleasure to witness. This enjoyment of school is obvious across the entire curriculum and he has worked hard to achieve in all lessons. You've made us all proud Tobias. Well done.

Maths: Ana-Maria

We are so impressed with how well Ana-Maria has undertaken maths activities. She listens well and attempts calculations methodically. She has demonstrated an increased confidence in her abilities over the last few months and this is why she has been chosen to receive the maths trophy. She has developed her problem solving and reasoning and enjoys taking on maths challenges.

English: Merryn

Merryn loves to write. As an avid reader, you can see Merryn's mind whirring whenever she is getting ready to write. The rich vocabulary she selects to add detail to characters and settings is great and her spelling and grammar have improved over the year. Her husky poem was even published earlier in the year, so maybe we have a budding author among us!

Sandringham Class

Perseverance: Noah

Noah has been chosen for the Perseverance Award. He is a shining example of growth mindset. He never gives up, faces any challenges that come his way and shows determination in all that he does. This has helped him to make great progress this year. Keep up the great work Noah!

Maths: Justina

Justina has come on leaps and bounds with her maths. She is always enthusiastic about completing maths problems and enjoys a challenge. Justina will approach every task with a positive attitude and is really good at learning from feedback that she is given. She has great resilience in maths because she is not worried about getting anything wrong, which has really helped her achieve this term.

English: Amiyah

Amiyah has made great progress with her writing. She takes her time to think carefully about her sentences, writes beautifully and checks her work for errors. Amiyah has listened with thought about how she can improve and her writing has really blossomed this term. Well done Amiyah.

Balmoral Class

Perseverance: Harper

Harper never stops amazing us with her dedication and enthusiasm to learn. Harper wants to achieve and will equip herself to achieve across all areas of her learning and development. She will also support her peers to achieve too, which is a wonderful quality to have.

Maths: Scarlett

Scarlett has made huge progress within her maths this term. She now enjoys learning about numbers and shapes. Her counting is super and shows amazing understanding of addition. All her hard work has resulted in an amazing achievement.

English: Savannah

Savannah's progress within her writing has been a delight to witness. Her confidence shines through and can write independent sentences, using her phonics knowledge and knowledge of tricky/ high frequency words. She is very creative within her writing, and we look forward to reading more of her fantastic writing in the future.
