

CLEVE HOUSE

TRADITIONS

Cleve House has been the recipient of the **Foresman Cup** (for excellence in House athletics) several times since it first won in 1938, as well as the **Head Master's Cup** (for sportsmanship). Cleve House hosts **Cleve Coffees**, in which those historically affiliated with the House come tell stories and share information with current Clevies. The program concludes every May with a Cleve Coffee hosted by Ginnie Chambers H'59 '60 '61 '62 '80 '89 P'77 (wife of former Housemaster Marshall Chambers), who began the tradition as the Housemaster's wife from 1954 to 1990.
