

PDA Independent Courses

**IF YOU ARE CURRENTLY TEACHING YOU CAN REGISTER FOR A PDA INDEPENDENT COURSE.
THESE COURSES CAN COUNT TOWARD ESE POINTS!**

To view the PDA Independent Courses

- 1) Go to www.fl-pda.org,
- 2) Click on BESE Portal-Professional Development Alternatives
- 3) Click on Independent Courses (Right side of screen)

You will be taken to a place where you can **register** for an Independent PDA Course. Here, just enter the information asked for. You will be able to look over the course descriptions and see how many points each course is worth at this location, then you can make your selection.

You take these courses on your own time without a facilitator. However, there is an email address given that you can go to if you need assistance. The courses listed here can all be counted as ESE courses.

After you have completed a course, be sure to email a copy of the Certificate of Completion that you receive to the PD Director in your district or to Shandi Payne at: shandi.payne@paec.org so that she can post your points in the ePDC.

**IF YOU ARE NOT CURRENTLY TEACHING, YOU MAY TAKE THE COURSES BUT,
YOU MUST HAVE SOMEONE IN YOUR DISTRICT'S PROFESSIONAL
DEVELOPMENT OFFICE WILLING TO TURN YOUR POINTS IN TO THE STATE
(PAEC DOES NOT DO THIS.)**

PDA Facilitated Courses

PDA Facilitated Courses are offered once every quarter. A flyer will be sent to your PD director which he/she will then share with all certified personnel in your district. A link to a bit.ly will be provided so that you may register for the PDA Facilitated course and orientation of your choice. The flyer will also provide a deadline for registration.
