BACK-TO-SCHOOL 2021: WHAT TO EXPECT

Inventory Levels: DENNIS, just as many other well-known retailers and manufacturers, is experiencing late deliveries from Key Vendors. We are working diligently with our Suppliers to expedite late deliveries and expect to be fully stocked up before the end of August. From all of us at DENNIS, we thank every customer for their patience!

Staffing: We are working hard to return to pre-COVID peak season staffing levels. Again, just as it is with many well-known retailers and service industry providers, hiring front-line workers has been challenging!

DENNIS IS HIRING! Seasonal positions are available at DENNIS retail locations nationwide. We offer great pay and a fantastic team working environment! In the spirit of enjoying the post COVID-19 Summer, our seasonal employees are NOT required to work evenings or on Sundays! We could be the best summer job for a teen or college-aged student! Contact your local DENNIS store for more information.
