## INDEPENDENT AUDITOR'S REPORT

Members of the Board of Education and  
The Director of Schools  
Franklin Special School District  
Franklin, Tennessee

### ***Report on the Financial Statements***

We have audited the accompanying combined balance sheet – regulatory basis of Franklin Special School District's Internal School Funds as of June 30, 2020, and the related combined statement of revenues, expenditures and changes in fund balances – regulatory basis for the year then ended, and the related notes to the financial statements, which collectively comprise Franklin Special School District's Internal School Funds basic financial statements, as listed in the table of contents. We also have audited the individual school balance sheets – regulatory basis, and the individual school statements of revenues, expenditures and changes in fund balances – regulatory basis presented as supplementary information, in the accompanying individual school financial statements as of and for the year ended June 30, 2020, as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the *Tennessee Internal School Uniform Accounting Policy Manual*, as described in Note A. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note A of the financial statements, the financial statements are prepared by Franklin Special School District's Internal School Funds on the basis of the financial reporting provisions of the *Tennessee Internal School Uniform Accounting Policy Manual*, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of Tennessee.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note A and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Franklin Special School District’s Internal School Funds as of June 30, 2020, or changes in financial position for the year then ended.

***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the combined financial statements referred to in the first paragraph present fairly, in all material respects, the assets, liabilities and fund balances of Franklin Special School District’s Internal School Funds as of June 30, 2020, and the related revenue, expenditures and changes in fund balances for the year then ended, in accordance with the financial reporting provisions of the *Tennessee Internal School Uniform Accounting Policy Manual* described in Note A. In addition, in our opinion, the individual school financial statements referred to in the first paragraph present fairly, in all material respects, the assets, liabilities and fund balances of Franklin Special School District’s Internal School Funds as of June 30, 2020, and the related revenue, expenditures and changes in fund balances for the year then ended, in accordance with the financial reporting provisions of the *Tennessee Internal School Uniform Accounting Policy Manual* described in Note A.

***Emphasis of a Matter***

As discussed in Note A, the financial statements present only the internal school funds of the Franklin Special School District and do not purport to, and do not, present fairly the financial position of the Franklin Special School District, as of June 30, 2020, the changes in financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

***Other Matters***

***Other Information***

Our audit was conducted for the purpose of forming an opinion on the combined financial statements– regulatory basis that collectively comprise the Franklin Special School District’s Internal School Funds basic financial statements. In addition, our audit was conducted for the purpose of forming an opinion on the individual school financial statements – regulatory basis, presented as supplementary information. The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements – regulatory basis of the schools. As described in Note D of the financial statements, the supplementary schedules, as listed in the table of contents, are prepared by Franklin Special School District’s Internal School Funds on the basis of the financial reporting provisions of the *Tennessee Internal School Uniform Accounting Policy Manual*, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The supplemental schedules, as listed in the table of contents, are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements – regulatory basis. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements – regulatory basis and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements – regulatory basis themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental schedules, as listed in the table of contents, are fairly stated, in all material respects, in relation to the basic financial statements – regulatory basis as a whole.

The introductory section and management’s corrective action plan have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated, September 17, 2020, on our consideration of the Franklin Special School District’s Internal School Funds’ internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters.

The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Franklin Special School District's Internal School Funds internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Franklin Special School District's Internal School Funds internal control over financial reporting and compliance.

**FRANKLIN SPECIAL SCHOOL DISTRICT – INTERNAL SCHOOL FUNDS  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2020**

**Background**

Section 49-2-110, *Tennessee Code Annotated*, provides for internal school funds, establishes responsibility for those funds, and requires schools to adopt and follow a uniform accounting manual.

**Note A – Summary of Significant Accounting Policies**

**1. Financial Reporting Entity**

This report includes only the internal school funds of Franklin Special School District. Internal school funds consist of financial resources accounted for at the individual schools.

**Internal School Funds**

Internal school funds reported in the accompanying financial statements include donations and grants made to the individual schools; fees collected by schools; funds received from the local board of education; funds raised through cooperative agreements; rental fees; and student activity funds.

**Student Activity Funds**

Student activity funds include all money received from any source for school-sponsored student activities or school-sponsored events held at or in connection with a school, and specifically include, but are not limited to funds:

- Derived from a school-sponsored academic, art, athletic or social event involving students;
- Raised by school-sponsored clubs involving students;
- Raised by school-sponsored fundraisers involving students who are under the supervision of a school employee;
- Received from a commission for the direct sale of items to students pursuant to a cooperative agreement between the school and an outside organization;
- Received for the direct sale of items to students from a school-run bookstore located on school grounds;
- Raised from fees charged to students;
- Obtained from interest from any account that contains student activity funds;
- Obtained from any related school-sponsored activity that involves the use of school personnel, students, and property during the school day.

**2. Other Comprehensive Basis of Accounting (OCBOA)**

The accounting and financial reporting requirements for internal school funds are set forth in the *Tennessee Internal School Uniform Accounting Policy Manual*, issued by the Tennessee Department of Education. The requirements established in the *Tennessee Internal School Uniform Accounting Policy Manual* differ from generally accepted accounting principles primarily in the presentation of the financial statements and restricted fund revenue and expenditure accounting and reporting. The following is a summary of the basic requirements of this other comprehensive basis of accounting.

**FRANKLIN SPECIAL SCHOOL DISTRICT – INTERNAL SCHOOL FUNDS  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2020**

**Note A – Summary of Significant Accounting Policies – (Continued)**

**2. Other Comprehensive Basis of Accounting (OCBOA) – (Continued)**

The financial statements consist of balance sheets and statements of revenues, expenditures and changes in fund balances.

The combined financial statements present all of the individual schools in a columnar format and are required to be presented before the notes to the financial statements. These statements focus on each of the individual schools rather than the funds within the schools. In keeping with that focus, the columnar headings identify the individual schools rather than the funds.

The individual school financial statements present the detailed fund activity in each school and are included after the notes to the financial statements.

Revenues are classified by source and expenditures are classified by either function or object for the general fund but not the restricted fund. Revenues and expenditures of the restricted fund are recorded based on the specific group or activity which will benefit or expend the funds. The activity in the restricted “accounts” is presented as total revenues and transfers in and total expenditures and transfers out for each account. A corresponding “fund balance” is presented for each account. Although the restricted fund is a single fund, each account within the fund must present its portion of the restricted fund balance. Transfers reported on the financial statements represent authorized movement of funds between restricted accounts as well as between the general fund and restricted fund.

**3. Measurement Focus and Basis of Accounting**

The accompanying financial statements are reported using the current financial resources measurement focus. Accordingly, only current assets and current liabilities are included on the balance sheets and the fund balances report only spendable resources. Internal school funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available. Management policies define available as collectible within 60 days after the fiscal year end. Expenditures are generally recognized when the related fund liability is incurred, if measurable.

**4. Fund Structure**

The accounts of the individual schools are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which are comprised of the fund’s assets, liabilities, fund equity, revenues and expenditures. The funds are grouped in the accompanying financial statements as follows:

**FRANKLIN SPECIAL SCHOOL DISTRICT – INTERNAL SCHOOL FUNDS  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2020**

**Note A – Summary of Significant Accounting Policies – (Continued)**

**5. Fund Structure – (Continued)**

**General Fund**

The general fund is used to account for all money to be used for the general operation of the school or for the welfare of the student body. Revenues and expenditures in this fund are not restricted to any specific group or activity.

**Restricted Fund**

The restricted fund is used to account for money that is restricted for the use of a specific segment of the school population or legally restricted for a specific purpose and not intended to benefit the general school population.

**6. Inventory**

Inventories are stated at lower of cost (first-in, first-out) or market (net realizable value). The purchases method is used to account for inventories. Under the purchases method, inventories are reported as an expenditure when purchased (or when received for donated items) rather than being capitalized as an asset. However, significant amounts of inventory, if any, on hand at year-end are reported as an asset in the financial statements.

In accordance with generally accepted accounting principles, the fair value of donated goods and supplies are recognized as revenues and expenditures in the financial statements. For the current year no significant amounts of such donations were received.

**7. Fund Balances**

**Nonspendable Fund Balance**

Fund balances reported as nonspendable in the accompanying financial statements represent amounts for inventory in the general fund.

**Restricted Fund Balance**

Fund balances reported as restricted in the accompanying financial statements are the result of externally imposed restrictions placed upon certain resources accounted for in the restricted funds. This includes BEP (Basic Education Program) funds and grant funds.

When both restricted and unrestricted resources are available for us, it is the school system's policy to use restricted resources first, then unrestricted resources as they are needed.

**Assigned Fund Balance**

Amounts that are constrained by each school's intent to be used for specific purposes are reflected as assigned in the accompanying financial statements. This includes accounts reported in the restricted fund at each school, except for those that account for externally restricted resources as described above. Inventory amounts for restricted accounts are reflected as assigned

because the use of the proceeds from the sale of those inventories is assigned. Board of Education allocation amounts not spent by the end of the fiscal year are reflected as assigned in the general fund because the Board's intent is for those resources to be expended for instruction, administration, and/or operations and maintenance.

The Board of Education is authorized to assign amounts for specific purposes with respect to the amounts they allocate to the individual schools. The principal is the official authorized to assign all other amounts to a specific purpose. Authorization is established by the *Tennessee Internal School Uniform Accounting Policy Manual*.

**Unassigned Fund Balance**

In accordance with generally accepted accounting principles, the general fund is the only fund at each school that reports amounts for unassigned fund balance. This classification represents fund balance that is not restricted and has not been assigned to specific purposes within the general fund. When both assigned and unassigned resources are available for use, it is the school system's policy to use assigned resources first, then unassigned resources as they are needed.

The fund balance detail for Franklin Special School District is reflected in Table 1, located after Note E. Additional detail is provided on the individual school financial statements.

**Note B – Deposits**

**Cash Deposits**

Cash in bank represents funds on deposit in various depositories.

**Custodial Credit Risk**

Custodial credit risk is the risk that in the event of a bank failure, the school's deposits may not be returned to it. None of the school's deposits were exposed to custodial credit risk because all balances were entirely insured by the FDIC or through the Bank Collateral Pool with the State of Tennessee.

**Legal Provisions**

All deposits with financial institutions in excess of FDIC limits are required to be secured by one of two methods. Excess funds can be deposited with a financial institution(s) that participates in the State of Tennessee Bank Collateral Pool administered by the state treasurer. For deposits with financial institutions that do not participate in the bank collateral pool, state statutes require that all deposits be collateralized with collateral whose market value is equal to 105 percent of the uninsured amount of the deposits.

**FRANKLIN SPECIAL SCHOOL DISTRICT – INTERNAL SCHOOL FUNDS  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2020**

**Note C- Capital Assets**

Capital assets acquired by the individual schools are recorded as expenditures at the time of purchase. Title and accountability for capital assets purchased pass automatically to the board of education.

**Note D- Supplementary Information**

All information contained in the section of this report under the table of contents heading of Supplementary information was subjected to the same audit standards as the combined and individual financial statements and was prepared in conformity with the accounting practices prescribed by the *Tennessee Internal School Uniform Policy Manual*, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America.

**Note E- Subsequent Events**

Subsequent events have been evaluated through September 17, 2020, the date which the financial statements were available to be issued.

The recent outbreak of the COVID-19 virus has resulted in an overall uncertainty of the economy. The outbreak has caused disruption to schools and businesses through mandated and voluntary closings. The overall financial impact and duration of this economic uncertainty on the schools cannot be estimated at this time.

## **INTERNAL CONTROL AND COMPLIANCE SECTION**

**THIS PAGE IS INTENTIONALLY LEFT BLANK**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Members of the Board of Education and  
the Director of Schools  
Franklin Special School District  
Franklin, Tennessee

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the combined and individual financial statements of the Internal School Funds of the Franklin Special School District, Franklin, Tennessee as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Franklin Special School District Internal School Funds' basic financial statements and have issued our report thereon dated September 17, 2020. The report on Franklin Special School District's Internal School Funds was adverse in relation to the conformity with accounting principles generally accepted in the United States of America and was unmodified in relation to the financial statements prepared in conformity with the accounting practices prescribed by the *Tennessee Internal School Uniform Accounting Policy Manual*, which is a basis of accounting other than generally accepted accounting principles in the United States of America.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Franklin Special School District Internal School Funds' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the combined and individual financial statements, but not for the purpose of expressing an opinion on the effectiveness of Franklin Special School District Internal School Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of the Franklin Special School District Internal School Funds' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses that we consider to be significant deficiencies. The following school had a significant deficiency identified as of June 30, 2020:

Liberty Elementary (SD-2020-002)

Moore Elementary (SD-2020-001)

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Franklin Special School District Internal School Funds' combined and individual financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of Franklin Special School District Internal School Funds, in a separate letter dated September 17, 2020.

## Franklin Special School Districts' Response to Findings

Franklin Special School District Internal School Fund's responses to the findings identified in our audit are described in the accompanying Schedule of Findings and Responses. Franklin Special School District Internal School Fund's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**(SD-2020-001 - Sales Tax not Paid on Resale Expenditures)**

Criteria:

According to the *Tennessee Internal School Uniform Accounting Policy Manual*, Section 4; Title 8 and Section 67-6-102, *TCA*, sales tax should be paid on the purchase price of all resale items except for schoolbooks and school lunches.

Condition:

It was noted during the fieldwork that sales tax was not paid on the purchase of items for resale at Moore Elementary School.

Cause:

When sales tax is not paid to the vendor, the school is liable for use tax on the purchase price.

Effect:

It is recommended that policies and procedures be put in place to ensure that sales tax is paid on the purchase price of all resale items except for the exceptions indicated above.

Management Response:

The District prepared the attached detailed corrective action plan on how this deficiency will be corrected at the school. Additionally, we will host district level training to ensure sales tax is appropriately paid.

**(SD-2020-002 – Lack of Fundraiser Authorization)**

According to the *Tennessee Internal School Uniform Accounting Policy Manual*, Section 4; Title 8, fundraising activities must have written approval from the principal. **(SD-2020-002 – Lack of Fundraiser Authorization)-(Continued)**

Condition:

It was noted during the fieldwork that a fundraiser had been conducted without the appropriate authorization at Liberty Elementary School.

Cause:

Incorrect implementation of fundraising procedures led to the fundraiser authorization not being completed prior to the start of the fundraiser.

Effect:

It is recommended that policies and procedures be put in place to ensure that the appropriate steps are being taken prior to a fundraiser being conducted.

Management Response

The District prepared the attached detailed corrective action plan on how this deficiency will be corrected at the school. All school principals and bookkeepers have been instructed that no fundraiser shall occur at their school without the preauthorization through proper documentation. We will host additional district level training in order to ensure this procedure is followed.

## Management's Corrective Action Plan

Contact persons responsible for the corrective action Plan: Teresa Ragsdale Dickson and David Esslinger

During the audit of our 2019-2020 fiscal year, auditors discovered that Liberty Elementary School conducted a fundraiser without appropriate authorization, and that Moore Elementary School did not pay sales tax on the purchase of items for resale.

As a result, we will initiate the Management's Corrective Action Plan as listed below:

A copy of our BOE's Policy 2.601 related to fundraising will be reviewed with Liberty Elementary School Principal Amy Patton and Bookkeeper Tracy Karner as a reminder that all fundraisers must be approved before they can occur. Our accounting coordinator, Teresa Ragsdale Dickson, will have a telephone conversation with Tracy Karner over the importance of following Board Policy with specific emphasis on Board Policy 2.601. In addition, this information will also be submitted to the Associate Director of Schools for Finance and Administration, Dr. David Esslinger, for him to emphasize adherence of this policy with Mrs. Patton.

A copy of our BOE's Policy 2.7001 related to payments and receipts (sales tax) as laid out in the Tennessee Internal School Uniform Accounting Policy manual found under Section 4 will be reviewed with Moore Elementary School Principal Janet Carroll and Bookkeeper Jetzabel Nunez. Procedures will be put in place that will only allow designated employees who are aware and have the understanding of the need to pay sales tax on resale items to buy the items for resale for events and fundraisers. Our accounting coordinator, Teresa Ragsdale Dickson, will have a telephone conversation with Jetzabel Nunez over the importance of following Board Policy with specific emphasis on Board Policy 2.7001 as it relates to sales tax on resale items and services. In addition, this information will also be submitted to the Associate Director of Schools for Finance and Administration, Dr. David Esslinger, for him to emphasize adherence of this policy with Mrs. Carroll.

The anticipated date of completion for the action plan is September 30, 2020.

Sincerely,

Teresa Ragsdale Dickson  
Accounting Coordinator
