An invitation to apply for the position of

*Superintendent*

## ANNOUNCEMENT OF VACANCY

The Dundee Central School District is seeking an outstanding educational leader. The successful candidate will be one who possesses:

- A proven track record of supporting and improving academic programming.
- A genuine leadership style that promotes trust and supports a positive school culture and learning environment.
- A proven ability in strategic thinking to support the student academic experience and well-being of all learners.

The ideal candidate must be committed to the district's mission to "prepare each student for a successful future" through excellence in student academic achievement, creative and innovative diversity, extracurricular opportunities, and prospective work skill development.

The candidate must have strong communication skills, create trust, and build positive relationships with students, teachers, staff and the public. Although residency is not required, investment in the school community is vital.

The Board of Education is prepared to offer a contract with a salary range of \$130,000 to \$160,000 based on professional background and educational experience. The district anticipates a start date of early Fall 2021.

## APPLICATION & SELECTION PROCESS

Qualified applicants should submit the following no later than August 13, 2021:

- APPLICATION
- LETTER OF INTEREST
- RESUME
- NYS CERTIFICATION (COPIES)
- THREE CURRENT LETTERS OF REFERENCE

Application materials should be submitted on-line or mailed to:

**Dr. Vicky Ramos**

W-FL BOCES District Superintendent  
131 Drumlin Court  
Newark, NY 14513

**[www.wflboces.org/dundee](http://www.wflboces.org/dundee)**

Selection Timeline:

- August 13, 2021 - Application deadline
- August - Interviews
- September - Board selects candidate
- Early Fall 2021 - Anticipated start date

**VISION:**  
**Empowering Learners & Leaders**

**MISSION:**  
**Inspire | Collaborate | Educate**

## THE SCHOOL DISTRICT

The PK-12 campus of Dundee Central School is nestled between two scenic Finger Lakes - Keuka Lake and Seneca Lake.

Although they are housed in one building, the elementary school and the junior/senior high school maintain their distinct identities. The elementary school is extremely proud of their efforts to continuously monitor the alignment of curriculum, instruction and assessments. The programs are responsive to the needs of all students, including a community-based UPK program, full day kindergarten, a wide range of academic enrichment and support services, and a commitment to students with special needs.

The Dundee Junior/Senior High School supports a schedule that requires students to take a rigorous course schedule, and programs are offered in a multitude of ways. Advanced Placement courses, and Gemini college courses are offered to students in several academic areas. We also work in close collaboration with Wayne-Finger Lakes BOCES to support Career and Technical Education opportunities.

Dundee Central School is a small school with big school pride. We enjoy overwhelming support from our community. We work in tandem to mold responsible, caring and academically prepared future citizens. With the support of the Dundee Community, the District was proud to offer in-person instruction five days a week during the 2020-2021 school year.

## THE COMMUNITY

Situated in the hills of the New York State Finger Lakes region, Dundee Central School enjoys being the center of attention in a community of 5,000 people. Our rural environment allows our school to often be the center of community activities and student aspirations. The school district is the largest employer in the Hamlet of Dundee. Agriculture is the primary industry of the regional residents.

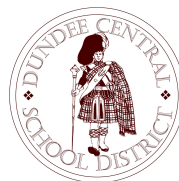

Our students come from a 90 square mile locale, which includes pupils from Starkey and parts of Reading, Milo, Tyrone and Barrington townships.
