

COVID-19 Addendum to Facility/Building Use Application

The Lake Washington School District is pleased to be able to reopen our schools for facility use in a safe manner that meets all applicable safety requirements and guidance. To that end, we ask that you acknowledge your intent to adhere to the following and that you or your group's failure to do so may result in the termination or suspension of your building use:

1. Comply with all applicable COVID-19 safety requirements and guidelines as issued by the Governor's office, Department of Health, or other state or local authority.
2. Notify and educate all staff, volunteers, and participants of the applicable COVID-19 safety requirements and guidelines and ensure they comply with all requirements.
3. If required by the applicable guidance, create a written procedure or plan for employee and volunteer safety and participant interaction and keep plan updated as guidance is revised. Provide a copy of plan to the district as requested.

I am authorized to execute this document on behalf of the group or organization identified below and I have read and agree to its terms. I understand that the district reserves the right to cancel scheduled Facility use based on changing conditions or directives from state or local health departments. I acknowledge that failure to comply with any of the requirements set out herein may result in termination or suspension of my Facility use.
