

PreACT Results

Understanding your scores

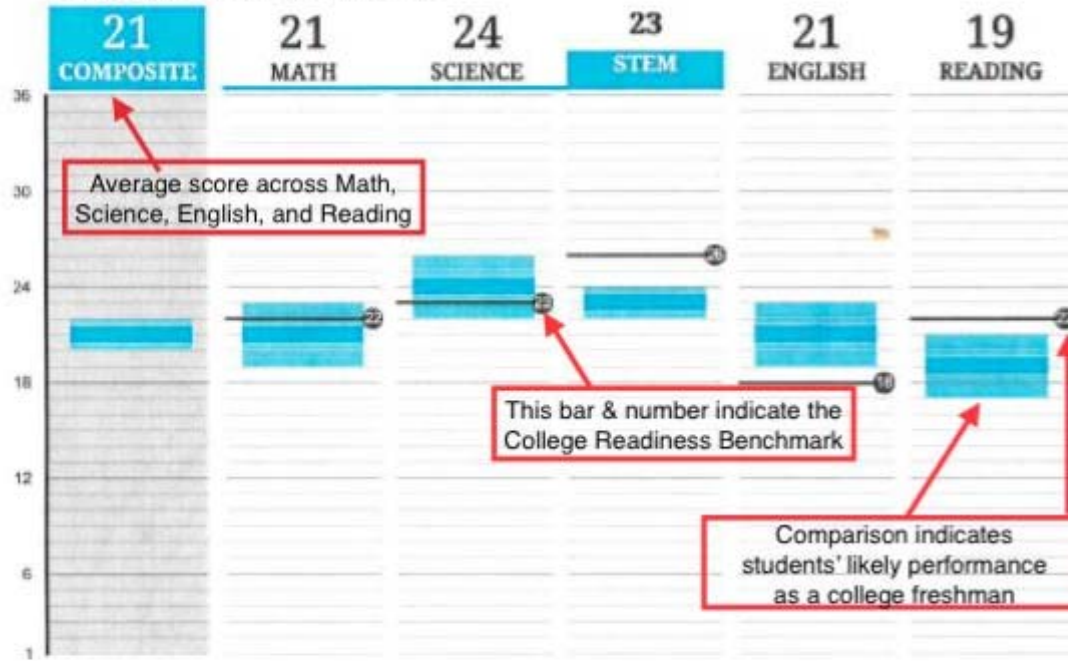

Reasons to take PreACT:

- Practice taking a high stakes/timed test
 - Achieve an idea of predicted ACT score
 - Identify areas of mastery and improvement
 - Career Interest Inventory
-

Front Page (top):

Your PreACT™ Composite Score is 21

This graph visually represents your PreACT scores compared to the ACT Benchmark. When looking at this you can see where your score compares to the ACT College Readiness Benchmarks.

— Your PreACT® Score
 — Your PreACT Score Range
 ● ACT Readiness Benchmark

Your PreACT scores consist of different scores for each subject test (math, science, English, and reading) along with the average of all of your subject scores (the Composite score). The STEM score is the average of your math and science scores only.

Your PreACT Score Range
 Test scores are estimates of your educational development. Think of your true achievement on this test as being within a range as shown by the bands around your scores.

ACT College Readiness Benchmarks
 ACT scores at or above the Benchmark mean that a student has at least a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in specific first-year college courses in the corresponding subject area.

Your Predicted ACT Composite Score Range is 22 - 25

The scores below predict your future performance ranges when taking the full ACT in a year's time assuming typical achievement growth.

Subject	Predicted Score Range
COMPOSITE	22 - 25
MATH	22 - 25
SCIENCE	24 - 27
STEM	24 - 26
ENGLISH	22 - 26
READING	19 - 24

STEM Score

- Average of your math & science scores
- Shows how well you did with questions related to science, technology, engineering & math (STEM)
- Not part of your Composite score

World of Work Map

Your Education and Career Journey

The Career Map shows 26 Career Areas (groups of similar occupations) according to their basic work tasks: working with People, Things, Data, and Ideas. The Career Map is divided into 12 regions. Each region has its own unique mix of work tasks. For example, Career Area P (Natural Science & Technologies) mostly involves working with Ideas and Things. What do you think Career Area C involves?

Your Interests

Your interest inventory results are shown on the Career Map. The shaded regions show the kinds of work tasks you prefer and the Career Areas you may like. Visit www.actprofile.org to find out more about occupations in these Career Areas.

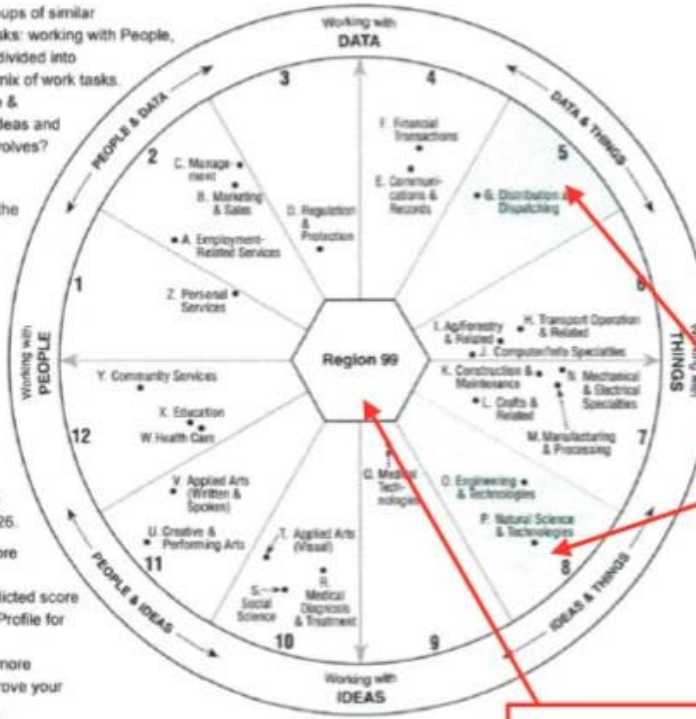

On Track?

Your Predicted ACT Composite Score range: 22 - 25.

Profile for Success: You told us you prefer Career Area R: Medical Diagnosis & Treatment. Successful college students in majors related to this Career Area often have an ACT Composite Score in the range of 22-25.

Compare your Predicted ACT Composite Score range to your Profile for Success.

- You're on track for success if your predicted score range overlaps with, or is above, your Profile for Success score range.
- Improving your study skills and taking more challenging courses may help you improve your scores.

These should be Blue

If this is blue, there was not enough information to categorize your interests

This "On Track?" section is VERY important!

Your Interest-Career Fit

Do your interests fit the Career Area you prefer? You told us:

Medical Diagnosis & Treatment

We compared your Career Area to your interest inventory results. You are not very interested in the kinds of work done in this Career Area. Workers are often more satisfied when their interests fit the kinds of work they do.

This info is very important to consider.

Ideas for Progress

Key Ideas and Details

- restate in own words the significance of specific information in written or nonprint sources
- determine the general or specific idea of one or more paragraphs or of the text as a whole
- place events in chronological order by locating supporting evidence from the text

Craft and Structure

- clarify the meanings of words or descriptive phrases by searching for clues in the text (e.g., sentence structure, context, prefixes/suffixes, spelling patterns)
- identify details that clearly support the key point(s) of written or nonprint sources
- analyze techniques used by the author of a text to reveal or conceal his or her point of view

Integration of Knowledge and Ideas

- locate words that might signal an author's or narrator's premise or claim (e.g., since, for, because) or conclusion (therefore, consequently)
- confirm or disprove conclusions drawn by identifying and applying details from multiple literary narratives

Review the questions and answers that you got wrong.

Look at these ideas for making progress in the areas you need to improve

What's next...

- Am I on target for college?
 - What skills do I need to improve to be ready for college?
 - Am I taking a rigorous core curriculum
 - What careers interest me most?
-
